NOTES:

1. A Statement pursuant to Section 102(1) of the Companies Act, 2013 ("**the Act**"), in respect of Special Business as set out above to be transacted at Annual General Meeting ("**AGM**") is annexed hereto and forms part of this Notice.
2. In view of the continuing restrictions due to Covid-19 pandemic, the Ministry of Corporate Affairs ("MCA") had vide its circular nos. 14/2020 and 17/2020 dated April 8, 2020 and April 13, 2020 respectively, in relation to "Clarification on passing of ordinary and special resolutions by companies under the Companies Act, 2013 and the rules made there under on account of the threat posed by Covid-19", circular no. 20/2020 dated May 5, 2020 read with circular no. 02/2021 dated January 13, 2021 in relation to "Clarification on holding of Annual General Meeting ("AGM") through video conferencing (VC) or other audio visual means (OAVM)" (collectively referred to as "MCA Circulars") permitted the companies to conduct the AGM through VC / OAVM, without the physical presence of the Members at a common venue. In compliance with the said requirements of the MCA Circulars, the 28th AGM of the Company shall be conducted through VC/OAVM. An electronic copy of the Notice along with all annexure have been sent only to those members whose e-mail ids are registered with the Company through electronic means and no physical copy of the Notice has been sent by the Company to any member. The Notice has also been hosted on the website of the Company www.utiitsl.com.
3. The deemed venue for the Annual General Meeting shall be the Registered Office of the Company at Plot No. 3, Sector 11, CBD Belapur, Navi Mumbai 400614, Maharashtra.
4. The physical presence/attendance of Members is not required at the AGM through VC/OAVM, and attendance of the Members through VC/OAVM will be counted for the purpose of reckoning the quorum under section 103 of the Act.
6. Pursuant to the provision of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his /her behalf and the proxy need not be a Member of the Company. Since this AGM is being held through VC / OAVM, physical attendance of Members is not required at the AGM pursuant to the MCA Circulars. Accordingly, the facility for appointment of proxies by the Member will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
7. Since the AGM will be held through VC/OAVM without the physical presence of Members at a common venue, the route map is not required/attached.
8. Institutional/Corporate shareholders (i.e. other than individuals/HUF, NRI etc.) are required to send a scanned copy (pdf /jpg format) of its board or governing body's resolution/ authorization, etc., authorizing their representative to attend the AGM on its behalf and to vote in this AGM. The said resolution/ authorization shall be sent to the Company Secretary of the Company by email at shashi.ranjan@utiitsl.com.
9. In accordance with the aforementioned MCA Circulars, the Company has provided the VC facility to the members for participating in the Meeting. The members are requested to follow the following instructions in order to participate in the Meeting through VC mechanism:
 - a. The login-id and password for joining the meeting has been separately provided along with this Notice;

- b. The facility of joining the AGM through VC/OAVM will be opened 15 minutes before and will be open up to 15 minutes after the scheduled start time of the AGM, i.e., from 10.45 a.m to 11.45 a.m.
 - c. Participation of single member shall only be allowed at a time;
 - e. Queries on the special business proposed to be conducted at the AGM may be sent to Shri Shashi Ranjan Kumar, Company Secretary of the Company at his email ID shashi.ranjan@utiitsl.com at least seven days in advance of the meeting so that the answers may be made readily available at the meeting;
 - f. Members are requested to contact Shri Shashi Ranjan Kumar, Company Secretary at his email ID shashi.ranjan@utiitsl.com or call at 9873828656 in case of any technical assistance required at the time of log in/ assessing/ voting at the Meeting through VC;
11. Members may also contact Shri Shashi Ranjan Kumar, Company Secretary at his email ID shashi.ranjan@utiitsl.com or call at 9873828656 for Notice for this Meeting along with all annexures;
 12. All other relevant documents referred to in the accompanying notice/explanatory statement shall be made open for inspection by the members only in electronic form on all working days, except Saturdays, from 11:00 a.m. to 1:00 p.m. up to the date of the ensuing AGM;
 13. Members are requested to note that Pursuant to Section 124 of the Companies Act, 2013 read with the Investor Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 (IEPF Rules, 2016), the dividends remaining unclaimed/unpaid for seven years is required to be transferred to Investor Education & Protection Fund.

EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESSES PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

ITEM NO. 4:

Your Board of Directors vide Circular Resolution No. 006/2021-22/Board dated 21st July, 2021, on the recommendation of HR & NR Committee, appointed Dr. Gulshan Rai (DIN: 01594321), as an Additional Director (Non-Executive & Independent) of the Company w.e.f. July 31, 2021 pursuant to the provisions of Section 161 of the Act and Articles of Association of the Company, he holds office of the Director, as such, up to the date of this AGM.

The Company had received necessary documents/disclosures from Dr. Gulshan Rai i.e. (i) consent in writing to act as Director (ii) intimation to the effect that he is not disqualified under Section 164(2) of the Companies Act, 2013, (iii) a declaration that he meets with the criteria of independence as prescribed under Section 149 (6) of the Act and (iv) other disclosures under other applicable provisions.

Dr. Gulshan Rai does not hold by himself or through any other person on a beneficial basis, any share in the Company. A brief Profile of Dr. Gulshan Rai, nature of his expertise in specific functional areas, names of companies in which he holds directorships and memberships / chairmanships of Board Committees and shareholding are provided in Annexure-I of this Notice.

In the opinion of the Board, Dr. Gulshan Rai fulfils the conditions specified in the Act and the Companies (Appointment and Qualification of Directors) Rules, 2014 for his appointment as an Independent Director of the Company and is independent of the management. The terms and conditions of his appointment would be available for inspection by the members at the Registered Office of the Company.

The Board considered that it is in the interest of the Company to have the benefit of rich experience and expertise of Dr. Gulshan Rai. Accordingly, the Board recommends Ordinary Resolution for approval of the members, as set out at Item no. 4 of this Notice for a term of five (5) consecutive years

Except Dr. Gulshan Rai and his relatives, none of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise in the Ordinary Resolution set out at Item no. 4 of this Notice.

ITEM NO. 5:

Your Board of Directors vide Circular Resolution No. 007/2021-22/Board dated 29th July, 2021, on the recommendation of HR & NR Committee, appointed Shri B Raj Kumar (DIN:05204091), as an Additional Director (Non-Executive & Independent) of the Company w.e.f. July 31, 2021 pursuant to the provisions of Section 161 of the Act and Articles of Association of the Company, he holds office of the Director, as such, up to the date of this AGM.

The Company had received necessary documents/disclosures from Shri B Raj Kumar i.e. (i) consent in writing to act as Director (ii) intimation to the effect that he is not disqualified under Section 164(2) of the Companies Act, 2013, (iii) a declaration that he meets with the criteria of independence as prescribed under Section 149 (6) of the Act and (iv) other disclosures under other applicable provisions.

Shri B Raj Kumar does not hold by himself or through any other person on a beneficial basis, any share in the Company. A brief Profile of B Raj Kumar, nature of his expertise in specific functional areas, names of companies in which he holds directorships and memberships / chairmanships of Board Committees and shareholding are provided in Annexure-I of this Notice.

In the opinion of the Board, Shri B Raj Kumar fulfils the conditions specified in the Act and the Companies (Appointment and Qualification of Directors) Rules, 2014 for his appointment as an Independent Director of the Company and is independent of the management. The terms and conditions of his appointment would be available for inspection by the members at the Registered Office of the Company.

The Board considered that it is in the interest of the Company to have the benefit of rich experience and expertise of Shri B Raj Kumar. Accordingly, the Board recommends Ordinary Resolution for approval of the members, as set out at Item no. 5 of this Notice for a term of five (5) consecutive years

Except Shri B Raj Kumar and his relatives, none of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise in the Ordinary Resolution set out at Item no. 5 of this Notice.

ITEM NO. 6:

SUUTI vide their letter no. UT/DOIM/NDC/U-5/O-2951/2021-22 dated September 13, 2021 has informed In-Charge CEO of the Company that Shri Mansoor Hasan Khan has been acting as a Director on the Board of the Company since June 7, 2021 and It has now been decided to appoint Shri Mohammad Mahmood Dawla, Deputy Secretary, Department of Investment & Public Asset Management (DIPAM), Ministry of Finance, GOI, on the Board of the esteemed Company on behalf of "The Administrator of the Specified Undertaking of Unit Trust of India" (SUUTI) in his place.

Accordingly, your Board of Directors vide Board Resolution dated September 14, 2021 has approved the appointment of Shri Mohammad Mahmood Dawla (DIN: 07010594), as an Additional Director cum Nominee Director of SUUTI of the Company w.e.f. September 14, 2021 pursuant to the provisions of Section 161 of the Companies Act, 2013 and Articles of Association of the Company, he holds office of the Director, as such, up to the date of this Annual General Meeting ("AGM").

The Company had received necessary documents from Shri Mohammad Mahmood Dawla i.e. (i) consent in writing to act as Director (ii) intimation to the effect that he is not disqualified under Section 164(2) of the Companies Act, 2013 and (iii) other disclosures under other applicable provisions of the Act.

A brief Profile of Shri Mohammad Mahmood Dawla, nature of his expertise in specific functional areas, names of companies in which he holds directorships and memberships / chairmanships of Board Committees and shareholding are provided in Annexure-I of this Notice.

Your Board recommends Ordinary Resolution for approval of the members, as set out at Item no. 6 of this Notice.

Except Shri Mohammad Mahmood Dawla and his relatives, none of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise in the Ordinary Resolution set out at Item no. 6 of this Notice.

3. Adoption of Indian Accounting Standards (IND AS)

Pursuant to the notification dated February 16, 2015 issued by the Ministry of Corporate Affairs, the Company has adopted the Indian Accounting Standards (“Ind AS”) notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from April 01, 2017. Financial Statements for the year ended March 31, 2021 have been released to conform to Ind AS (Since 01.04.2017). Relevant Notes to the Standalone Financial Statements provide for the explanation on the transactions to Ind AS.

The Ministry of Corporate Affairs vide notification dated March 24, 2021 has amended Schedule III to the Companies Act, 2013 with effect from 1st April, 2021. In pursuant to the said notification, the Company has adopted the same and prepared the Financials Statements of the Company for the year ended March 31, 2021 in accordance with the amended Schedule III of the Companies Act, 2013.

The estimates and judgments’ relating to the financial statements have been made on a prudent basis, so as to reflect in a true and fair manner, the form and substance of transactions and reasonably present the Company’s state of affairs, profits and cash flows for the year ended March, 2021.

The Chief Financial Officer (CFO) is responsible to give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company to the Statutory Auditors in preparation of Standalone and Consolidated statements for FY2020-21.

4. Financial Performance

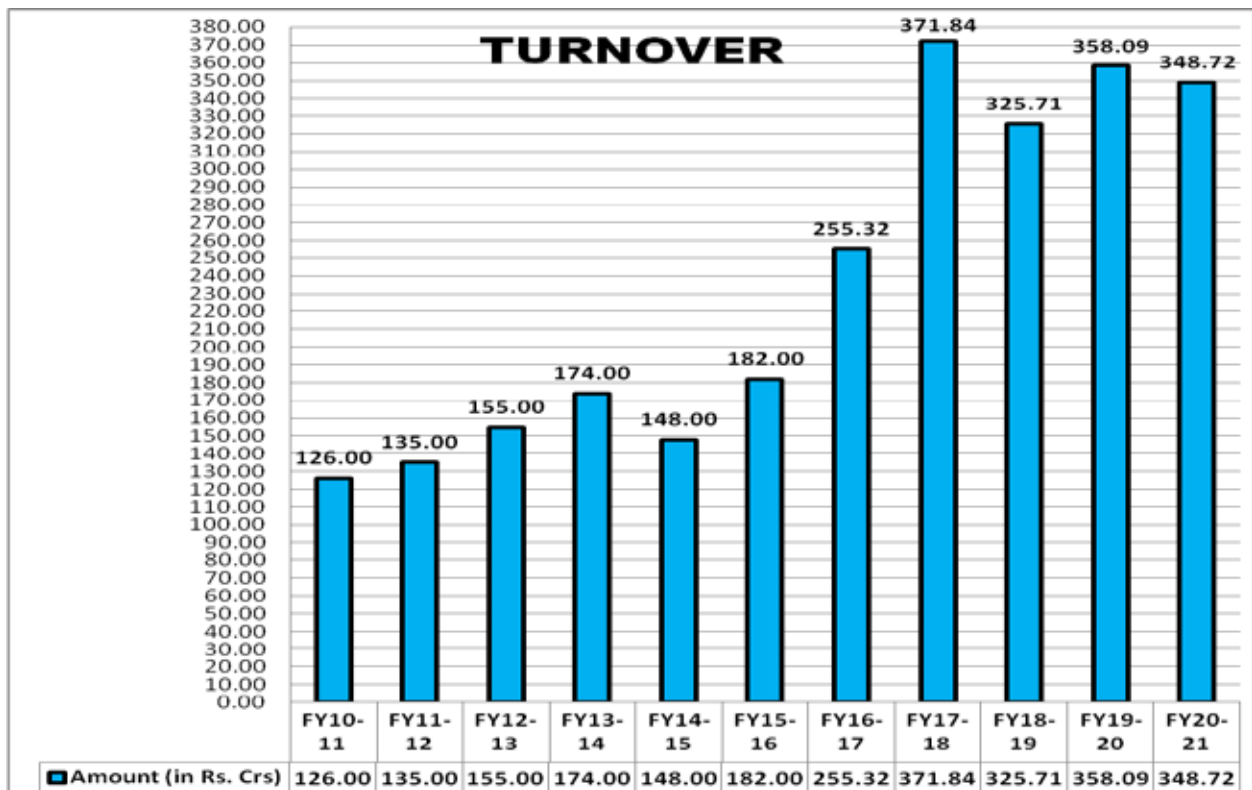

During the year under review, the Company achieved the total turnover of Rs.348.72 Crore in FY2020-21 as against Rs.358.09 Crore in the previous FY2019-20, showing marginal decline of 2.62% over the previous year due to ongoing Covid-19 pandemic situation prevailing in the entire country. The net worth of your Company has increased to Rs.581.39 Cr from Rs.508.42 Cr in the previous financial year FY20. The Earning per Share (EPS) is at Rs.26.65 as compared to Rs.31.19 in FY2019-20. The necessary disclosures in respect of related party transactions have been provided in the notes to accounts (note no 35) of the Financial Statements for FY2020-21.

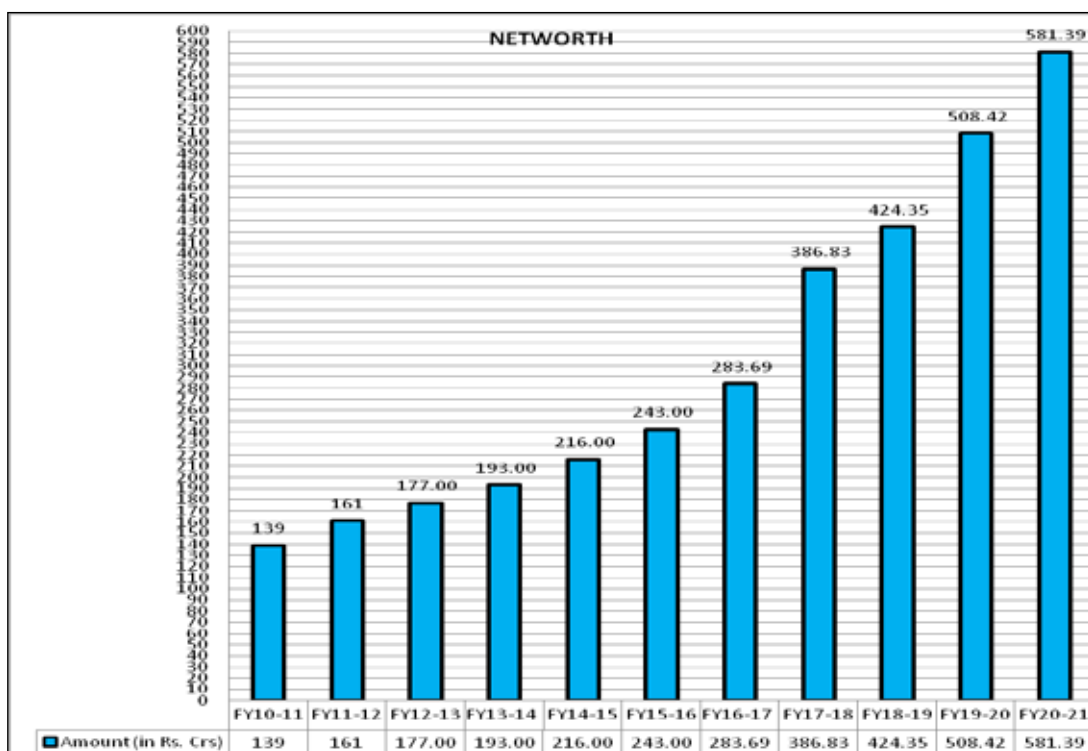

During the year under review, the Company has received communication from Director CGHS vide DO letter No. Misc/2020-21/Hospital Cell/ CGHS(HQ)/152 dated 27.11.2020 informing transfer of data from UTIITSL to NHA i.e., discontinuance of BCA Activity of the Company w.e.f. 01.01.2021. Further, the same was withdrawn vide their e-mail dated 01.01.2021 from Sr. CMO, HC, HQ CGHS and informed to continue to function as the BCA for CGHS till further instructions.

Further, during the current FY22, vide Office Memorandum (“OM”) dated 5th April.2021, CGHS informed that the BCA activity of the Company would be discontinued from 11.06.2021 onwards, however the same has been further extended to 25.06.2021 vide OM dated 16.06.2021 from Director CGHS.

In view of both OMs of the current FY22 from CGHS dated 01.06.2021 and 16.06.2021, the BCA activity of the Company will be discontinued from June 2021 onwards. While some residual work is continuing, the discontinuance by CGHS was not accompanied by the Company receiving payment on its outstanding, or a confirmed settlement list from CGHS

The following graphical charts represent the financial status for the last Ten Years i.e. from FY 2011-12 to FY 2020-21:

5. Dividend

Your Directors have recommended a final dividend of Rs. 3.20 per equity share (face value of Rs. 10 each) aggregating to Rs. 10 Crs (Rupees Ten Cores Only) for the financial year ended March 31, 2021, which is equal to the dividend declared and paid as in the previous financial year 2019-20, for the

approval of the Members at the ensuing Annual General Meeting (AGM). The final dividend, if approved, will be paid within 30 days of the AGM.

6. Material Changes and Commitments, If Any, Affecting the Financial Position of the Company

There have been no material changes and commitments affecting the financial position of the Company during FY21, other than those explained herein.

There has been no change in the nature of the business of the Company.

7. Share Capital

The Paid up Equity Share Capital as at 31st March, 2021 stood at Rs. 31,25,00,000 comprising of 3,12,50,000 Equity shares of face value Rs.10(Ten) each. The details of the Committees along with their composition, number of meetings held and attendance at the meetings are provided in the Corporate Governance Report.

16. Particulars of loans, guarantees or investments by the Company

Details of Loans, Guarantees and Investments covered under the provisions of Section 186 of the Companies Act, 2013 are given in the Notes to Financial Statements.

17. Human Resource and Industrial Relations

The employees are valuable to the Company. The Company encourages innovation, merit, hard work and the pursuit for excellence. The Company has built up a pool of human resources with a variety of skill sets appropriate to its business requirements. The Company has Engineering professionals in Information Technology, Civil Engineering, Electrical Engineering, Medical Professionals, Legal Professionals, Finance, Management and other professionals.

The Company has always emphasized continuous training and up-gradation of technical and management skills to enhance overall organizational performance. The HR mandate is to attract good people, retain the better and advance the best.

18. Vigil Mechanism/ Whistle Blower Policy

The Company promotes ethical behavior in all its business activities and has put in place a mechanism of reporting illegal or unethical behavior. The Company has a whistle blower policy wherein the employees are free to report violations of laws, rules, regulations or unethical conduct to their immediate supervisor or such other person as may be notified by the management. The confidentiality of those reporting violations is maintained and they are not subjected to any discriminatory practice. Whistle Blower policy has been posted on the website of the Company viz. www.utiitsl.com.

The Company has its Vigilance Department and for dealing with the Vigilance related matters; headed by Ms. Vaidehi Sawant as a Chief Vigilance Officer (CVO) with effect from 1st April, 2020.

19. Related party Transactions

All transactions entered with Related Parties for the year under review were on arm's length basis and in the ordinary course of business and that the provisions of section 188 of the Act and the Rules made there under were not attracted. Thus a disclosure in Form AOC-2 in terms of Section 134 of the Act is not required. Further, there are some related party transactions during the year under review with the Promoters, Directors except Key Managerial Personnel. All related party transactions are mentioned in the Notes to the Financial Statements.

20. Significant and Material Orders passed by the Regulators or Courts.

There were no significant and material orders passed by the Regulators/Courts, otherwise stated in this report, that would impact the going concern status of the Company and its future operations.

21. Directors Responsibility Statement

To the best of knowledge and belief and according to the information and explanations obtained by them, In terms of Section 134(5) your Directors make the following statement in terms of Section 134(3)(c) of the Act:

- (i) that in preparation of Annual Accounts for the year ended March 31, 2021, the applicable accounting standards had been followed along with proper explanation relating to material departures, if any;
- (ii) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at March 31, 2021 and of the profit of the Company for the year ended on that date;
- (iii) that the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.
- (iv) that the directors had prepared the annual accounts on a going concern basis
- (v) that the Directors had laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively (For the purposes of this clause, the term “internal financial controls” means the policies and procedures adopted by the Company for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information); and
- (vi) that the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

22. Secretarial Standards

The Directors state that the applicable mandatory Secretarial Standards, i.e., SS – 1: Secretarial Standard on Meetings of the Board of Directors and SS – 2: Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, have been followed by the Company.

23. Auditors

(a) Statutory Auditor

The Statutory Auditors M/s P Parikh & Associates, Chartered Accountants, Mumbai appointed by the office of the Comptroller and Auditor General of India to audit the accounts for the financial year 2020-21 will retire at the conclusion of the Twenty Eight Annual General Meeting of the Company. The Company being a ‘Government Company’ under section 2(45) of the Act (Under the erstwhile provision 617 of the Companies Act, 1956), the Statutory Auditors would be appointed by the Comptroller and Auditor General of India in accordance with the provisions of the Companies Act, 2013. The shareholders may however fix the remuneration or determine the manner of fixing the remuneration of the Statutory Auditors for the financial year 2021-22.

The management response to the qualified opinion, matters of emphasis and observations/comments contained in the Auditors' Report on Standalone financial statements and Consolidated financial statement have been suitably given in the respective Notes to the Financial Statements referred to therein. In respect of point no 2 of matter of emphasis, the Company is in process of formulating policy for accounting of PAN application amount. Further, in respect of point no 5 regarding non reconciliation of TDS and GST with form 26AS and GSTR2A respectively, since the due date has been extended, it get reconciled before filing of IT return and GST annual return for FY2020-21 respectively.

The notes to accounts and other observations, if any, in the Auditors' Report are self-explanatory and therefore, do not call for any further comments.

(b) Internal Auditor

The Company as a better corporate governance, has appointed M/s Jeswani & Rathore, Chartered Accountants, Mumbai as Internal Auditor of the financial year 2020-21. The Audit Committee recommends to the Board for approval and fixation of remuneration annually.

(c) Secretarial Auditor

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and rules made there under, the Board has appointed M/s. Sudhanwa S. Kalamkar & Associates, a firm of Company secretaries in Practice to undertake the Secretarial Audit of the Company for the financial year 2020-21. The Secretarial Audit Report for FY21 is annexed herewith as "**Annexure D**".

The management responses to the observations contained in the Secretarial Audit Report are given below:

- (i) Presently, the Company has one independent director on the Board and the Board has appointed Two (2) Additional Directors (Non-executive & Independent) on the Board of the Company w.e.f. July 31, 2021 and the same are being recommended to the shareholders of the Company for approvals for appointment as Independent Directors in the ensuing Annual General Meeting ('AGM') of the Company in accordance with the provisions of section 149 (4) of the Act read with Rule 4 of The Companies (Appointment and Qualifications of Directors) Rules, 2014 and Articles of Association of the Company. Therefore, after the confirmation of the said appointments in the ensuing AGM, the CSR Committee will be reconstituted in compliance with provisions of section 135 of the Act;
- (ii) Presently, the Company has one independent director on the Board and the Board has appointed Two (2) Additional Directors (Non-executive & Independent) on the Board of the Company w.e.f. July 31, 2021 and the same are being recommended to the shareholders of the Company for approvals for appointment as Independent Directors in the ensuing Annual General Meeting ('AGM') of the Company in accordance with the provisions of section 149 (4) of the Act read with Rule 4 of The Companies (Appointment and Qualifications of Directors) Rules, 2014 and Articles of Association of the Company. Therefore, after the confirmation of the said appointments in the ensuing AGM, the Audit Committee will be reconstituted in compliance with provisions of section 177 of the Act;

- (iii) Presently, the Company has one independent director on the Board and the Board has appointed Two (2) Additional Directors (Non-executive & Independent) on the Board of the Company w.e.f. July 31, 2021 and the same are being recommended to the shareholders of the Company for approvals for appointment as Independent Directors in the ensuing Annual General Meeting ('AGM') of the Company in accordance with the provisions of section 149 (4) of the Act read with Rule 4 of The Companies (Appointment and Qualifications of Directors) Rules, 2014 and Articles of Association of the Company. Therefore, after the confirmation of the said appointments in the ensuing AGM, the HR & NR Committee will be reconstituted in compliance with provisions of section 178 of the Act;

24. Corporate Social Responsibility (CSR)

Pursuant to the requirements of Section 135 of the Act read with the Companies (Corporate Social Responsibility Policy) Rules, 2014, the Company has a Corporate Social Responsibility (CSR) Committee. The details of the Committee are mentioned in '**Annexure E**'. The CSR Policy of the Company is available on the website of the Company at http://10.10.108.204/doc/UTIITSL_CSR%20Policy_Revised%209th%20January%202021.pdf.

25. Internal Control Systems and their adequacy

Your Company has an effective internal control and risk-mitigation system, which is constantly assessed and strengthened with new/revised standard operating procedures. The Company's internal control system is commensurate with its size, scale and complexities of its operations. The internal and operational audit is entrusted to M/s Jeswani & Rathore Associates, Chartered Accountants. The main thrust of internal audit is to test and review controls, appraisal of risks and business processes, besides benchmarking controls with best practices in the industry.

The Audit Committee of the Board of Directors actively reviews the adequacy and effectiveness of the internal control systems and suggests improvements to strengthen the same. The Company has a robust Management Information System, which is an internal part of the control mechanism.

The Audit Committee of the Board of Directors, Statutory Auditors and the business Heads are periodically apprised of the internal audit findings and corrective actions taken. Audit plays a key role in providing assurance to the Board of Directors. Significant audit observations and corrective action taken by the management are presented to the Audit Committee of the Board. To maintain its objectivity and independence, the Internal Audit function reports to the Chairman of the Audit Committee.

The Company at the Board of Directors meeting held on 16th June, 2016 has adopted Internal Financial Control (IFC) Policy. A Nodal Officer under IFC has been nominated who reports to the Audit Committee under the supervision of Chief Financial Officer of the Company is now entrusted to Head – Internal Audit Department of the Company. Efforts have been made to studying the best practices for incorporation in the overall Internal Control structures and the SOP and integrated into the existing Risk Management Policy of the Company.

26. Risk Management

The Company has formulated a Risk Management Policy and monitors the risk management plan on a periodic basis to ensure sustainable business growth with stability and to promote a pro-active approach in reporting, evaluating and resolving risks associated with the business. The Company has defined a structured and disciplined approach to manage uncertainty and to make use of these in the decision

making in business decisions and corporate functions. The Company has regularly invested in insuring itself against unforeseen risks. The Company's stocks and insurable assets like building, computer equipments, office equipments, furniture & fixtures and lease hold improvements have been adequately insured against major risks. The Corporate Secretarial Department is also working as a 'Corporate Risk Management Department for implementation of the risk management process, collate updates from the Risk Owners and prepare the Management Information Reports for review of the Audit Committee and the Board.

27. Information Relating to Conservation of Energy, Technology Absorption, Research and Development, Exports, Foreign Exchange Earnings and Outgo

a) Conservation of energy

Although the operations of the Company are not energy-intensive, the management has been highly conscious of the criticality of conservation of energy at all the operational levels and efforts are being made in this direction on a continuous basis. Adequate measures have been taken to reduce energy consumption, whenever possible, by using energy efficient equipments. The requirement of disclosure of particulars with respect to conservation of energy as prescribed in Section 134(3) of the Act read with the Companies (Accounts) Rules, 2014, is not applicable to the Company and hence not provided.

b) Technology absorption

Your Company believes that in addition to a progressive thought, it is imperative to invest in research and development to ascertain future exposure and prepare for challenges. In its endeavor to obtain and deliver the best, your Company has entered into alliances/tie-ups with other players in the Information Technology industry to harness and tap the latest and best technology in its field, upgrade itself in line with the latest technology in the world, and deploy/absorb technology wherever feasible, relevant, and appropriate. The key areas where technology has made an impact are marketing and customer acquisition, online portal, etc.

c) Research and development

The Company believes that technological obsolescence is a reality. Only progressive research and development will help us measure up to future challenges and opportunities. We invest in and encourage continuous innovation. Capability was developed to create digital point solutions. Digital point solutions are to help deliver impactful solutions to customers and due to this, the speed of delivery has improved significantly.

During the year under review, the expenditure on research and development is not significant in relation to the nature and size of the operations of your Company.

d) Foreign exchange earnings and outgo:

During the year under review, there is no foreign exchange earnings and outgo.

GOVERNANCE CODES

Conflict of Interest

Each Director informs the Company on an annual basis about the Board and the Committee position he occupies in other companies including Chairmanship and notifies changes during the year. The Members of the Board while discharging their duties, avoid conflict of interest in the decision making process. The Members of the Board restrict themselves from any discussions and voting in transactions in which they have concern or interest.

Board Meetings

The Board meets at regular intervals to discuss and decide on business strategies/policies and review the financial performance of the Company and its subsidiary. The Board Meetings are pre-scheduled and a tentative annual calendar of the Board Meeting is circulated to the Directors well in advance to facilitate them to plan their schedules accordingly. In case of business exigencies, the Board's approval is taken through circular resolutions. The circular resolutions are noted at the subsequent Board Meeting.

Post Meeting Mechanism

The important decisions taken at the Board and Board Committee meetings are communicated to the concerned department/division/section for their necessary action and information.

The notice and detailed agenda along with the relevant notes and other material information are sent in advance separately to each Director and in exceptional cases tabled at the meeting with the approval of the Board. This ensures timely and informed decisions by the Board. The Board reviews the performance of the Company vis-à-vis the budgets/targets.

Minimum four prescheduled Board meetings are held every year (one meeting in every calendar quarter). Additional meetings are held to address specific needs, if any, of the Company.

During the financial year 2010-21 the Board of Directors met Five (5) times on:

- 1) 4th June, 2020
- 2) 25th July, 2020
- 3) 17th October, 2020
- 4) 9th January, 2021
- 5) 20th March, 2021

The maximum gap between any two consecutive meetings was less than one hundred and twenty days, as stipulated under section 173(1) of the Act and the Secretarial Standards issued by Institute of Company Secretary of India.

Board Support

The Secretarial & Compliance Department of the Company provides Company Secretarial assistance to the Board for the Meetings and advises the Board on the matters related to Corporate Governance and compliance with Laws, regulations as applicable from time to time to the Company.

Roles, Responsibilities and Duties of the Board

The duties of the Board of Directors enumerated in Section 166 of the Companies Act, 2013 are followed

by the Board members in spirit and there is a clear demarcation of responsibility and authority amongst the Board of Directors.

Committees of the Board

The Board of Directors has constituted Board Committees to deal with specific areas and activities which concern the Company and requires a closer review. The Board Committees are formed with the approval of the Board and function under their respective charters. These Committees play an important role in the overall management of day-to-day affairs and governance of the Company. The Board Committees meets at regular intervals and take necessary steps to perform its duties entrusted by the Board. The Board Committee recommendations are placed before the Board for approval. The minutes of the Committee meetings are placed before the Board for noting.

The Company has Three Board Committees

- 1) Audit Committee
- 2) HR & Nomination, Remuneration Committee (Renamed from HR Nomination & Remuneration Committee w.e.f. 09.01.2021)
- 3) Corporate Social Responsibility Committee

1) Audit Committee

Audit Committee of the Board of Directors (“the Audit Committee”) is entrusted with the responsibility to supervise the Company’s internal controls and financial reporting process. The composition, quorum, powers, roles and scope are in accordance with the provisions of section 177 of the Companies Act, 2013. All the members of the Audit Committee are financially literate and bring in expertise in the fields of finance, taxation, risk, etc. it functions in accordance with its terms of reference that defines its authority, responsibility and reporting function.

The Audit Committee comprises of following members:

Sr. No	Name of Member	Designation

Sr. No.	Name of Member	No. of Meetings	
		Held	Attended
1	Shri K P Lakshmana Rao	3	3
2	Shri Babu Rao	3	3
3	Dr. Kishore Sansi	3	3

Terms of Reference of the Audit Committee

a) Financial Reporting

1. Review and recommend for approval of the annual audited financial statements of the Company including a determination that the appropriate accounting methods have been used.
2. Review the operating budget results, business risk, and reasons of variances between budgets and actual results and required proposed action, on quarterly basis.
3. Monitor the process to ensure compliance with all regulatory returns, and reports as required to be filed.

b) Internal Audit

1. Discuss the scope of the internal audit of the financial/operational affairs of the Company, review the audit engagement letter and management's representation letters, and make recommendations to the Board.
2. Monitor the progress of the internal audit, oversee that audit covers all the areas, make inquiries and receive reports as the committee thinks fit. The Committee receives and reviews the reports from the internal auditors and is responsive for ensuring that items of concern noted therein are resolved.
3. Conduct an annual performance evaluation of the internal auditors.
4. Determine, on an annual basis, an auditor best suited to conduct the audit, and recommend to the Board of Directors.

c) External Audit

1. Monitor the progress of the external audit, make inquiries and receive reports as the Committee thinks fit.
2. Receive and review the reports from the external auditors and be responsible for ensuring that items of concern noted therein are resolved.

d) Risk Management

1. Through discussions with management and the external and internal auditors, obtain assurance that the Company's internal controls and performance monitoring systems are adequate.
2. Receive an annual report from the management on risk exposure at the Company and the steps that have been taken to determine, manage, mitigate and report the risks.
3. Bring to the Board's attention all financial matters and potential risks of which it has knowledge that may affect the current or future position of the Company.

e) Internal Control System

The Company has through the years developed and stabilised an effective control system calibrated to the risk appetite of the Company and aligned to the scale, size and complexities of its operations.

The scope and authority of the internal Audit Function is defined in the Audit Policy of the Company, duly approved and recommended by the Audit Committee of the Board, approved and adopted by the Board. In order to help the Company to achieve its mission of adopting the best professional practices prevailing in the industry while framing the policy, substantial inputs are taken from model audit manual on internal and concurrent audit systems in Public Limited Company. The Internal Audit Department on a continuous basis assesses and monitors the effectiveness of the control systems and its adequacy to meet the growing complexities. The Audit function essentially validates the compliance of operations, processes with regulatory guidelines, accounting policies and Company's own internal rules and instructions.

The Company has also appointed Nodal Officer under the guidance of Chief Financial Officer of the Company in accordance with the internal Financial Control as applicable under the Companies Act; to monitor and control the financial risk involved in the functions and operations of the business activities of the Company.

A Company has robust system towards escalating the audit findings to appropriate levels in the hierarchy in the management and discussion in the Audit Committee and Board towards suggesting corrective action and its follow up. The Company has Financial Audit and operation Audit and Risk Based Internal Audit and Concurrent Audit. Serious findings and observations of all types are presented to and reviewed by the Audit Committee and Board. Other findings are discussed and analyzed by the Department Head of each business verticals.

The Internal Audit function provides independent assurance to the Board of Directors and Senior Management on the quality and effectiveness of the Company's Internal Control and Risk Management Systems and processes thereby helping the Board and Senior Management protect the Company and its reputation.

The Company has a proper and adequate system of internal controls commensurate with its size and business operations to ensure the following:

1. Timely and accurate financial reporting in accordance with applicable accounting standards.
2. Optimum utilization and safety of assets.
3. Compliance with applicable laws, regulations and management policies.
4. An effective management information system and reviews of other systems.

Functions of Audit Committee

The Audit Committee, while reviewing the Annual Financial Statements also reviews the applicability of various Accounting Standards (AS) referred to Section 133 of the Act, 2013. The compliance of the Accounting Standards as applicable to the Company has been ensured in the preparation of the financial statements for the year ended 31st March, 2018. The Audit Committee bridges gap between the Internal Auditors and the Statutory Auditors. The Statutory Auditors are responsible for performing Independent audit of the Company's Financial statements and Company's Internal Financial Control over financial reporting in accordance with the generally accepted auditing practices and issuing reports based on such audits, while the Internal Auditors are responsible for the internal risk controls.

The Statutory Auditors and Internal Auditors attend such meetings of the Audit Committee where matters relating to their Audit Report are discussed at length.

Internal Control and Governance Processes

The Company strives continuously in strengthening its internal control and processes. The Audit Committee along with the head of Internal Audit Department of the Company formulates a detailed plan for the Internal Auditors for the year, which is reviewed at the Audit Committee meetings. The Internal Auditors attend the Audit committee meeting at regular basis and submit their recommendations to the Audit Committee and provide a road map for the future.

(vi) We have relied on the representation made by the Company, its officers and in respect of systems and mechanism formed/followed by the Company for the compliance of the laws specifically applicable to the Company:

1. Guidelines and amendments issued by Administrator of Specified Undertaking of the Unit Trust of India (SUUTI) from time to time.

We have also examined compliance with the Secretarial Standards issued by The Institute of Company Secretaries of India.

During the period under review the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, standards etc. except and subject to observations/qualifications mentioned below:

1. *The Corporate Social Responsibility (CSR) Committee of the Board does not comprise of Independent Director, even though Company is mandated to appoint an Independent Director pursuant to provisions of section 149 of the Companies Act 2013.*
2. *The Audit Committee of the Board has only One Independent Director against the mandatory requirement of at least one-half of Members being Independent Directors*
3. *Human Resources (HR) & Nomination, Remuneration Committee of the Board does not consist of one-half of its members as Independent Directors*

We further report that

As the entire Share Capital of the Company, is held in the name of the Administrator of the Specified Undertaking of the Unit Trust of India (SUUTI) jointly with other six Individuals,; pursuant to letter dated 24-09-2010, from the Administrator of SUUTI, Article 112 of the Articles of Association of the Company was amended at the Annual General Meeting held on 30th Sept 2014, to provide for appointment of minimum 4 Directors as the Nominee Directors of the SUUTI, including The Chairman, Managing Director and Chief Executive Officer and Two Other Directors. Even though SUUTI has appointed the Managing Director and Chief Executive Officer, No person has been appointed as the Chairman of the Company.

In view of the above, the Board does not have proper balance of Executive Directors, Non-Executive Directors and Independent Directors. *The Company does not have minimum number of two Independent Directors as required by the provisions of section 149 (4) the Act read with Rule 4 of the Companies (Appointment and Qualification of Directors) Rules 2014*

ANNEXURE –E”

ANNUAL REPORT ON CORPORATE SOCIAL RESPONSIBILITY (CSR) ACTIVITIES

1. Brief outline on CSR Policy of the Company.

Preamble

UTI Infrastructure Technology and Services Ltd., as a Government Company under Section 2(25) of the Companies Act, 2013 registered under the Companies Act, 1956.

Objective

With introduction of CSR regulations under the Companies Act, 2013 and corresponding Rules, the Corporate now have a legal mandate towards their social responsibility. Hence the Company is pledging itself for continued CSR activities within the corporate policy framework.

This policy shall be read in line with Section 135 of the Companies Act, 2013, Companies (Corporate Social Responsibility Policy) Rules, 2014 and such other rules, regulations, circulars and notifications (collectively referred hereinafter as ‘Regulations’) as may be applicable and as including any amendment from time to time and will, inter-alia, provide for the following:

- Establishing a guideline for compliance with the provisions of Regulations to dedicate a percentage of Company’s profits for social welfare projects.
- Ensuring the implementation of CSR initiatives in letter and spirit through appropriate procedures and reporting.

CSR Activities

The Policy recognizes that Corporate Social Responsibility is not merely compliance; it is a commitment to support initiatives that measurably protect environment, spread/promote education, and improve the lives of underprivileged. CSR Activities that may be undertaken by the Company shall include all the items or activities that are recognized as such under Section 135 of the Companies Act, 2013 and Companies (Corporate Social Responsibility Policy) Rules, 2014, and as specified under Schedule VII and as amended from time to time: These are as follows:

- i. Eradicating, hunger, poverty and malnutrition, promoting health care including preventive health care and sanitation including contribution to Swachh Bharat Kosh set by the Central Government for promoting sanitation and making available safe drinking water; spending CSR funds for COVID-19 related activities shall qualify as CSR expenditure.
- ii. Promoting education, including special education and employment enhancing vocation skills especially among children, women, elderly, and the differently abled and livelihood enhancement projects;
- iii. Promoting gender equality, empowering women, setting up homes and hostels for women and orphans; setting up old age homes, day care centers and such other facilities for senior citizens and measures for reducing inequalities faced by socially and economically backward groups;
- iv. Ensuring environmental sustainability, ecological balance, protection of flora and fauna, animal welfare, agro forestry, conservation of natural resources and maintaining quality of soil, air and water including contribution to the Clean Ganga Fund set up by the Central Government or

rejuvenation of river Ganga.;

- v. Protection of national heritage, art and culture including restoration of buildings and sites of historical importance and works of art; setting up public libraries; promotion and development of traditional arts and handicrafts;
- vi. Measures for the benefit of armed forces veterans, war widows and their dependents; the Central Armed Police Force (CAPF) and Central Para Military Force (CPMF) veterans, and their dependents including widows;
- vii. Training to promote rural sports, nationally recognized sports, Paralympics sports and Olympic sports;
- viii. Contribution to Prime Minister's National Relief Fund or Prime Minister's Citizen Assistance and Relief in Emergency Situations Fund (PM CARES Fund) or any other fund set up by the Central Government for socio - economic development and relief and welfare of the scheduled castes, the scheduled tribes, other backward classes, minorities and women;
- ix. (a) Contribution to incubators or research and development projects in the field of science, technology, engineering and medicine, funded by Central Government or State Government or any agency or Public Sector Undertaking of Central Government or State Government, and
 (b) Contributions to public funded Universities; Indian Institute of Technology (IITs); National Laboratories and Autonomous Bodies established under Department of Atomic Energy (DAE); Department of Biotechnology (DBT); Department of Science and Technology (DST); Department of Pharmaceuticals; Ministry of Ayurveda, Yoga and Naturopathy, Unani, Siddha and Homeopathy (AYUSH); Ministry of Electronics and Information Technology and other bodies, namely Defense Research and Development Organisation (DRDO); Indian Council of Agricultural Research (ICAR); Indian Council of Medical Research (ICMR) and Council of Scientific and Industrial Research (CSIR), engaged in conducting research in science, technology, engineering and medicine aimed at promoting Sustainable Development Goals (SDGs);
- x. Rural development projects;
- xi. Slum area development;
- xii. Disaster management, including relief, rehabilitation and reconstruction activities. Spending CSR funds for COVID-19 related activities shall qualify as CSR expenditure Contribution made to State Disaster Management Authority to combat COVID-19 shall qualify as CSR expenditure,
 The above areas shall be liberally interpreted so as to capture the essence of the subjects enumerated in the said Schedule. Clarifications/ notifications issued by Ministry from time to time shall be used to determine whether any activity is covered under prescribed activities mentioned under Schedule VII of the Companies Act, 2013

The Geographic Reach

The Act provides that the Company shall give preference to the Local Area and areas around where it operates, for spending the amount earmarked for Corporate Social Responsibility. The Company will thus give preference to conducting CSR activities in the States, where it has its operations. However, the Committee may identify such areas other than stated above, as it may deem fit and recommend it to the Board for undertaking CSR Activities.

INDEPENDENT AUDITOR'S REPORT

To the Members of UTI Infrastructure Technology and Services Limited Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the standalone financial statements of **UTI Infrastructure Technology and Services Limited ("the Company")**, which comprise the Balance Sheet as at March 31, 2021, and the statement of Profit and Loss, statement of Changes in Equity and the statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the *Basis for Qualified Opinion* Section of our report, the aforesaid financial statements give the information required by the Companies Act 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021 and its profit, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

- i) *As stated in Note No. 20 under the head "Other Non-Current Liabilities", Advance amount of ₹ 6,877.51 Lakhs (which includes ₹ 63.32 Lakhs discount payable to CGHS) outstanding from CGHS as on March 31, 2021 (out of initial advance receipt of ₹ 7,000.00 Lakhs), is subject to confirmation / reconciliation as on March 31, 2021. In view of non-reconciliation and non-confirmation of balances as on March 31, 2021 with CGHS, the resultant impact of the same on the financial statements of the Company is unascertainable.*

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matters

1. Attention is drawn to Point No.7 in Note No.35 to the Standalone financials statements, which describes that the extent to which the COVID-19 Pandemic will impact the Company's results in next financial year will depend on future developments, which are highly uncertain.
2. The Advances amounting to ₹ 5,221.84 Lakhs as on March 31, 2021 has been received by the Company from various PAN applicants for different coupon rates (except advances received for ₹ 91 coupon rate) which are outstanding for more than 1 year, however PAN Cards have not been issued against these coupons due to various reasons. The Company should formulate an appropriate accounting policy for

such cases where the PAN application amount has been received by the Company, however the dispatch of PAN card could not be made and the balance of such advances are outstanding for more than 1 year.

3. Income in respect of Storage Charges pertaining to PAN applications has not been accounted in F.Y. 2020-21, even though such service has been rendered by the Company in F.Y. 2020-21. The impact, due to non-accounting of such income in the financials as on March 31, 2021 is unascertainable. Further, scanning charges income of PAN applications has not been booked due to reasons as per Point No.5 in Note No. 35 forming part of financial statements.
4. Attention is drawn to Point No.4 in Note No.35 to the Standalone financials statements, relating to provision amounting to ₹ 5,600 Lakhs made by the Company as on March 31, 2021 (including additional provision of ₹ 1,791.51 Lakhs made during the F.Y. 2020-2021) against Lien marked Fixed Deposits of ₹ 5,600 Lakhs kept as Performance Security Deposit with CGHS as the Company does not anticipate any recovery against such Lien Marked Fixed Deposits, due to which the profit of the Company is reduced by ₹ 1,791.51 Lakhs in the financial year 2020-2021.
5. Further, we are informed that due to extension of due dates of filing of TDS return and GST return for the quarter ended March 31, 2021, the TDS receivable and Input Tax Credit details of GST accounted in books of accounts could not be reconciled or matched with Form 26AS or GST Online portal for the quarter ended March 31, 2021 as many vendors and debtors / banks have not uploaded the relevant details relating to the Company for the quarter ended March 31, 2021. The impact of non-availability of such online information on the financials statements of the Company is unascertainable on the date of the audit report.

Our opinion is not modified in respect of these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report and Corporate Governance Compliances but does not include the Standalone financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and

maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieve fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (5) of the Act, and C&AG Directions issued which are applicable for the year 2020-2021, refer to our separate report in "**Annexure B**".
3. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure C**".
 - g) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Point No. 8 in Note No.35 to the financial statements.
 - ii. The Company did not have any long term contracts including derivate contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

“Annexure A” forming part of Independent Auditor’s Report

The Annexure referred to in our Independent Auditor’s Report of even date to the members of the Company on the standalone Ind AS financial statements for the year ended March 31, 2021, we report that:

On the basis of such checks as we considered appropriate and according to the information and explanations given to us during the course of our audit, we report that:

- i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) The fixed assets have been physically verified by the management at the year ended 31st March, 2021 and as per information and explanation provided by the management, no material discrepancies were noticed between the books of accounts and physical fixed assets as on the year end.
 - (c) According to the information and explanation given to us and on the basis of records furnished to us, the title deeds / ownership of all the immovable properties are held in the name of the company except in case of property at UTI Tower, Bandra Kurla Complex, Mumbai, wherein the title deed of the property has still not been transferred in the name of the Company, the details of which are as follows:-
 - i) Number of Case:- 1
 - ii) Gross Block Value as at March 31, 2021 :- ₹ 2,83,78,928/-
 - iii) Net Block Value as at March 31, 2021:- ₹ 1,65,14,613/-
 - iv) Remarks:- As per explanation provided to us by the management, we were informed that the Company is in the process of getting the title transferred in the name of the Company at the earliest.
- ii) Since the Company is in the service industry, it does not hold any inventory. Thus paragraph 3 (ii) of the Order is not applicable.
- iii) The Company has granted unsecured interest free loans amounting to ₹ 32.36 Lakhs to its subsidiary company SUUTI Tech Option Limited as on March 31, 2021, which is covered in the register maintained u/s 189 of the Act; for which there is no fixed schedule for repayment of such loans, hence the terms and conditions of grant of such loans are prejudicial to the interest of the Company and there are no repayments or receipts of such loans during the financial year. Since the entire amount is overdue for more than ninety days and is no longer receivable by the Company, the Company has created full provision for doubtful debts of ₹32.36 Lakhs in respect of this loan to Subsidiary Company as on March 31, 2021.
- iv) In our opinion and according to the information and explanations given to us, the provisions of section 185 and 186 of the Act in respect of loans, investments, guarantees and security given, as applicable, have been complied by the Company.
- v) The company has not accepted any deposits and hence directives issued by the Reserve Bank of India and provisions of sections 73 to 76 or any other provisions of Companies Act, 2013 and rules framed thereunder will not be applicable to the Company.
- vi) The Central Government has not prescribed the maintenance of cost records under sub- section (1) of section 148 of the Act for any of the activities of the Company; hence the Clause (vi) of paragraph 3 of the Order are not applicable to the Company.

- vii) a) According to the information and explanations given to us and on the basis of our examination of the records, the Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income Tax, GST, cess and other statutory dues with the appropriate authorities.

According to the information and explanations given to us, there were no outstanding statutory dues as on March 31, 2021 for a period of more than six months from the date they became payable except for a sum of ₹ 58 Lakhs being the amount of bonus payable to employees and as informed this amount has been held back on the basis of the stay order passed by the Hon'ble Bombay High Court.

- b) According to information and explanation given to us, there are no disputed statutory dues including Provident Fund, Employees State Insurance, Income Tax, GST and other statutory dues which have not been deposited on account of dispute except as stated below :-

Name of Statute	Nature of dues	Year(s) to which it pertains	Amount Not Paid (in Lakhs)	Forum where dispute is pending
Income Tax Act, 1961	Penalty	A.Y. 2011-2012	6.15	Commissioner of Income Tax (Appeals) XXI, Mumbai
Income Tax Act, 1961	Dispute	A.Y. 2011-2012	68.70	Income Tax Appellate Tribunal, Mumbai
Service Tax	Service Tax	F.Y. 2003-2004	2,798 (including interest)	High Court of Mumbai
Income Tax Act, 1961	Penalty	A.Y. 2012-2013	3.79	Commissioner of Income Tax (Appeals) XXI, Mumbai

- viii) In our opinion and according to the information and explanations given to us, the Company has not taken any loan or borrowings from financial institution, bank, government and has not issued any debentures; hence clause (viii) of paragraph 3 of the Order is not applicable to the Company.
- ix) Based upon the audit procedures performed and according to the information and explanations given to us, the company has not raised money by way of initial public offer or further public offer (including debt instruments) and term loans during the financial year, hence clause (ix) of paragraph 3 of the Order is not applicable to the Company.
- x) To the best of our knowledge and belief, and according to the information and explanations given to us, and considering the size and nature of the Company's operations, no fraud of material significance on or by the Company have been noticed or reported during the year and nor have we been informed of such case by the management.
- xi) According to the information and explanation given to us and based on our examination of the records, the Company has paid for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V of the Act.
- xii) In our opinion and according to the information and explanation given to us, the Company is not a Nidhi Company; hence Clause (xii) of paragraph 3 of the Order is not applicable.
- xiii) According to the information and explanations given to us and based on our examination of records of the Company, transactions with the related parties are in compliance with section 177 and 188 of the

Act where applicable and the details of such transactions have been disclosed in the standalone Ind AS financial statements as required by the applicable accounting standards.

- xiv) Based upon the audit procedures performed and according to the information and explanations given by the management, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year; hence the clause (xiv) of paragraph 3 of the Order is not applicable to the Company.
- xv) According to the information and explanations given to us and based on our examination of records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with him; hence the clause (xv) of paragraph 3 of the Order is not applicable.
- xvi) In our opinion and according to the information and explanations given to us, the company is not required to be registered under section 45 – IA of Reserve Bank of India Act, 1934.

“Annexure B” forming part of Independent Auditor’s Report

Report on directions issued by Comptroller and Auditor General of India under Section 143 (5) of Companies Act, 2013.

- i) Whether the company has system in place to process all the accounting transactions through IT system? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.

In our opinion, the Company has a system in place to process all the accounting transactions through IT system. Based on the information and explanations given to us, and based on procedures performed by us, we are of the opinion that the company has an adequate internal control system to prevent and detect processing of accounting transactions outside the IT system. As per information provided to us, there has been no such instance reported during the year.

- ii) Whether there is any restructuring of an existing loan or cases of waiver / write off of debts / loans / interest etc. made by a lender to the company due to the company’s inability to repay the loan? If yes, the financial impact may be stated.

This clause is not applicable to the Company as the Company does not have loan or does not have any case of waiver / write off of debts / loans / interest etc. made by a lender to the company due to the company’s inability to repay the loan.

- iii) Whether funds received / receivable for specific schemes from central / state agencies were properly accounted for / utilized as per its term and conditions? List the cases of deviation.

According to the information and explanation given to us and based on our examination of the records of the Company, the Company has not received any funds for specific schemes from central / state agencies.

“Annexure C” forming part of Independent Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls over financial reporting of **UTI Infrastructure Technology and Services Limited (“the Company”)** as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that :

- 1 Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2 Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3 Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF UTI INFRASTRUCTURE TECHNOLOGY AND SERVICES LIMITED FOR THE YEAR ENDED 31 MARCH 2021

The preparation of financial statements of UTI INFRASTRUCTURE TECHNOLOGY AND SERVICES LIMITED for the year ended 31 March 2021 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the company. The statutory auditor appointed by the Comptroller and Auditor General of India under section 139(5) of the Act is responsible for expressing opinion on the financial statements under section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 18 August 2021.

I, on behalf of the Comptroller and Auditor General of India, have decided not to conduct the supplementary audit of the financial statements of UTI INFRASTRUCTURE TECHNOLOGY AND SERVICES LIMITED for the year ended 31 March 2021 under section 143(6)(a) of the Act.

1. General Reserve

Under the erstwhile Indian Companies Act 1956, a general reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulation, to ensure that if a dividend distribution in a given year is more than 10% of the paid up capital of the company for that year, the total dividend distribution is less than the total distributable results for that year. consequent to introduction of Companies Act 2013, the requirement to mandatory transfer a specified percentage of the net profit to a general reserve has been withdrawn.

2. General Reserve UTI IASL

The amount has been created from the balance of the merger of the company with UTI Infrastructure and Services Limited with effect from 1 April 2010.

3. General Reserve Amalgamation

This reserve has been created at the time of merger of the company with UTI Infrastructure and Services Limited being the lesser amount as per the valuation of shares. The amounts credited to this reserve is not available for distribution of dividend as per the scheme of amalgamation.

4. Retained Earnings

Balance of retained earnings comprises of prior years undistributed earnings after taxes, which can be utilised for purposes such as dividend payout etc.

NOTE-1

Notes to the Ind AS financial statements for the year ended March 31, 2021

i. Company Overview

UTI Infrastructure Technology And Services Limited (referred to as “UTIITSL” or “the Company” hereinafter) was incorporated under the laws of the Republic of India with its registered office at Plot no.- 3, Sector -11, J L Nehru Marg, CBD Belapur, Navi Mumbai – 400614. The Company primarily engaged in the business of issuing and processing of PAN cards on behalf of CBDT and also providing consulting, back office operations, infrastructure, processing of medical bills under CGHS under Ministry of Health and Family Welfare, ECHS under Ministry of Defence, ESIC under Ministry of Labour and IT enabled services delivered through a network of multiple locations around India. The Specified Undertaking of Unit Trust of India owned 100% of the Company’s equity share capital and has the ability to control its operating and financial policies.

ii. Basis of Preparation of Financial Statements:

a) Basis of preparation and compliance with Ind AS

In accordance with the notification, dated February 16, 2015, issued by the Ministry of Corporate Affairs, the company has adopted Indian Accounting Standards (Ind AS) notified under section 133 read with Rule 4A of the Companies (Indian Accounting Standards) Rules 2015, as amended, and the relevant provisions of the Companies Act, 2013 (collectively, “Ind ASs”) with effect from April 1, 2017 the Company is required to prepare its financial statements in accordance with Ind AS for the year ended March 31, 2018. These financial statements as and for the year ended March 31, 2018 (the “Ind AS Financial Statements”) were the first financial statements the Company has prepared in accordance with Ind AS and all the financial statements thereafter are prepared on the same basis.

b) Basis of measurement

The Ind AS Financial Statements has been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities, including investments, loans and advances which has been measured at fair value as described below and defined benefits plans which have been measured at actuarial valuations as required by relevant Ind ASs.

Fair value measurement

The Company measures investments and loan and advances at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of an asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non- financial asset takes into account a market participant’s ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

All assets and liabilities for which fair value is measured or disclosed in the financial statements within the fair value hierarchy, described as follows, based in the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market price in the active markets for identical assets or liabilities.

Level 2 - Valuation technique for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the assets or liability and the level of the fair value hierarchy as explained above

For the fair value related disclosure refer *note no -35 (12)*

c) **Functional and presentation currency**

These Ind AS Financial Statements are prepared in Indian Rupee which is the Company's functional currency.

iii. Significant Accounting Policies

The Company has applied following accounting policies to all periods presented in the Ind AS Financial Statements: -

A) Revenue Recognition:

Revenue is measured at fair value of the consideration received or receivable, net of discount, outgoing indirect taxes. Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured:

Service charges are recognized and accounted on accrual basis for the services rendered during the year. In case of PAN services, Income from sale of coupons is accounted upon the dispatch of PAN cards. Income from Service charges has been booked net of Good and Service Tax. Commission has been paid for PAN processing Service

Agent Commission against sale of PAN processing coupon is recognized immediately upon receipt of PAN processing amount, irrespective of corresponding income accruing from such PAN processing coupon, which is recognized upon dispatch of PAN card to applicant.

Upfront professional fee from hospitals is recognized while processing medical bill from serving Hospitals, it is deducted while remitting payment of their bill and income from bill clearing services under CGHS is recognized as per the contractual terms of the agreement. In case of ECHS, ESIC and ESIS income of bill processing services is recognized on recommendation/processing of medical bill of serving hospitals.

Service income is recognized as per the terms of IT contracts with the customers when the related services are performed or the agreed milestones are achieved.

Revenue from maintenance contracts is recognized ratably over the period of the contract using the percentage of completion method. When services are performed through an indefinite number of repetitive acts over a specified period of time, revenue is recognized on a straight-line basis over the specified period.

Revenues from software development on a time-and-material basis are recognized as the services are performed. Revenue from fixed price contracts is recognized based on the milestones achieved as specified in the contracts, on the percentage of completion basis. Revenue from Annual Maintenance Contracts and training revenues are recognized on a pro-rata basis over the period in which such services are rendered.

In certain projects, a fixed quantum of service or output units is agreed at a fixed price for a fixed term. In such contracts, revenue is recognized with respect to the actual output achieved till date as a percentage of total contractual output. Any residual service unutilized by the customer is recognized as revenue on completion of the term.

Revenue from Real estate consultancy is recognized on the transfer of all significant risk and rewards of ownership to the buyers, revenue is recognized in respect of sale of properties on the basis of certain percentage of it as the per terms of contract.

Revenue from project consultancy is recognized on the percentage of project cost at the inception of the project and thereafter revenue is recognized on the basis of percentage of completion of work as certified by the engineers i.e. proportion completion method.

Dividend income is recognized when the unconditional right to receive the income is established. Interest income is recognized on time proportionate method.

Revenue in respect of distribution income is recognized as and when the same is credited into bank account. Further, revenue in case other income is recognized when no significant uncertainty as to its determination or realization exists.

Revenue from Aadhar enrolment and updation has been recognized as and when the amount has been received from the applicant in case of changes of details of applicant and for new cases after successful uploadation of data in UIDAI.

Revenue from PMJAY e-card has been recognized after successful uploadation of data in NHA.

B) Property, Plant and Equipment

(i) Property, Plant and Equipment

The Company has applied Ind AS 16 with retrospective effect for all its property, plant and equipment as at the transition date, viz., 1st April 2016.

The initial cost of property, plant and equipment comprises its purchase price, including non refundable duties and taxes, attributable borrowing cost and any other directly attributable costs of bringing an asset to working condition and location for its intended use. It also includes the present value of expected cost for decommissioning and removing of an asset and restoring the site after its use, if the recognition criteria for a provision are met.

Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are normally charges to the statement of profit and loss in the period in which the costs are incurred. Major overhaul expenditure is capitalized if the recognition criteria are met.

Gains and losses on disposal of an item of property, plant and equipment are determined by deducting the proceeds of disposal from the carrying amount of property, plant and equipment and are recognized net within other income/other expenditure in statement of profit and loss.

The residual value, useful lives and method of depreciation of property, plant and equipments are reviewed at each financial year end and adjusted prospectively, if appropriate.

(ii) Capital work in progress

Assets in the course of construction are capitalized in capital work in progress account. At the point when the asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment.

(iii) Depreciation

Assets in the course of development or construction and freehold land are not depreciated.

Leasehold land shall be depreciated over period of lease.

Other property, plant and equipment are stated at cost less accumulated depreciation and any provision for impairment. Depreciation commences when the assets are ready for their intended use.

Depreciation is calculated on the depreciable amount, which is the cost of an asset less its residual value. It is provided at rates calculated to write off the cost, less estimated residual value of each asset on a straight-line basis over its expected useful life (determined by the management based on technical estimates) as follows:

The estimated useful lives of assets are as follows:

Buildings	60 years
Plant and equipment	15 years
Furniture and fixture	10 years
Vehicles	8 Years
Office Equipments	5 Years
Computer hardware	3 Years
Server and networking hardware	6 Years

Depreciation methods, useful lives and residual value are reviewed at regular interval.

C) Intangible assets:

Intangible assets acquired are measured on initial recognition at cost; following initial recognition intangible assets are carried at cost less any accumulated amortization and accumulated impairment loss. The useful lives of intangible assets primarily computer software is assessed for five years. Specialized systems software acquired outright and license fee paid for such patented software are capitalized.

The costs relating to annual license fees, development, updation, implementation and maintenance of computer software are charged to revenue account.

Gains or losses arising from the retirement or disposal proceeds and the carrying amount of the assets recognized as income or expenses in the Statement of profit and loss when the asset is derecognized.

D) Investment Property:

The Company identifies such properties which are held to earn rental income or for capital appreciation or both and which will generate cash flows largely independently of other assets as Investment Properties. In accordance with the requirements of Ind- AS40 (Investment property). Further as per Ind-AS 40 (Investment Property), the Company has adopted cost model to all its investment policy at initial recognition. After initial recognition, the Company measures all of its investment properties in accordance with Ind AS 16's requirements of cost model.

Depreciation is calculated on the depreciable amount, which is the cost of an asset less its residual value. It is provided at rates calculated to write off the cost, less estimated residual value of each asset on a straight line basis over its expected useful life (determined by the management based on technical estimates) as follows:

The estimated useful lives of assets are as follows:

Buildings	60 years
-----------	----------

The residual value, useful lives and method of depreciation of Investment property are reviewed at each financial year end and adjusted prospectively, if appropriate.

E) Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components. The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Right of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For leases with reasonably similar characteristics, the Company, on a lease by lease basis, may adopt either the incremental borrowing rate specific

to the lease or the incremental borrowing rate for the portfolio as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments. The Company recognises the amount of the re-measurement of lease liability due to modification as an adjustment to the right-of-use asset and statement of profit and loss depending upon the nature of modification. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in statement of profit and loss. The Company has elected not to apply the requirements of Ind AS 116 Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognised as an expense on a straight-line basis over the lease term.

Transition to Ind AS 116

Ministry of Corporate Affairs (“MCA”) through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases which replaces the existing lease standard, Ind AS 17 Leases and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lease accounting model for lessees. The Company has adopted Ind AS 116, effective annual reporting period beginning April 1, 2019 and applied the standard to its leases, retrospectively, with the cumulative effect of initially applying the standard, recognised on the date of initial application (April 1, 2019). Accordingly, the Company has not restated comparative information, instead, the cumulative effect of initially applying this standard has been recognised as an adjustment to the opening balance of retained earnings as on April 1, 2019.

For transition, the Company has elected not to apply the requirements of Ind AS 116 to leases which are expiring within 12 months from the date of transition by class of asset and leases for which the underlying asset is of low value on a lease-by-lease basis.

F) Financial instruments

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments

Financial assets

Financial assets are (investment in Mutual funds, bonds) classified into the following specified categories: financial assets “at amortized cost”, “fair value through other comprehensive income”, “fair value through profit or loss”. The classification depends on the entity ‘s business model for managing the financial assets and the contractual cash flow characteristics of the financial assets at the time of initial recognition.

All financial assets are initially measured at fair value plus transaction costs except for those assets classified as at fair value through profit or loss which are initially measured at fair value.

Income and expenses is recognized on an effective interest basis for debt instrument.

All other investments are classified as Fair Value Through Profit or Loss (FVTPL) the Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable and minimizing the use of unobservable input.

Financial Assets - De-recognition

A financial asset (or, where applicable, a part of financial asset or part of group of similar financial asset) is primarily derecognized (i.e., removed from the Company's balance sheet) when:

- The rights to receive cash flows from the assets has expired, or
- The Company has transferred its right to receive cash flow from asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement; and either (a) the Company has transferred substantially all the risk and rewards of the asset or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the assets. The transferred asset and the associated liability are measured on a basis that reflect the rights and obligations that the Company retained.

Impairment of financial assets

In accordance with Ind AS 109, the Company applied expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets that are debt instrument, and are measured at amortized cost e.g., loans, debt securities, deposit and trade receivable or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12 months ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as (income)/ expense in the statement of profit and loss. This amount is reflected under the head "other expenses" in the statement of profit and loss. The balance sheet presentation for various financial instruments is as follows:

- Financial assets measured as at amortized cost
- Debt instrument measured at FVTPL
- Debt instruments measured at FVTOCI

Financial liabilities and equity instruments

Classification as debt or equity

Financial liabilities and equity instruments issued by the company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and equity instrument.

Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deduction all of its liabilities.

Financial liabilities

Financial liabilities are classified as either financial liabilities at Fair Value Through profit or Loss (FVTPL). Financial liabilities are classified as at FVTPL where the financial liability is either held for trading or it is designated as at FVTPL

Financial Liabilities – De recognition

A financial liability is de recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

Offsetting of Financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet, if there is currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

G) Cash and Cash equivalents

Cash and Cash equivalent in the balance sheet comprise cash at bank and on hand and short-term deposits with an original maturity of three months and less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flow, cash and cash equivalents consist of cash and short-term deposit as mentioned above.

H) Impairment of Non – Financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exist, the Company estimate the asset's recoverable value, which is higher of an asset's or cash generating unit's (CGU) fair value less costs of disposal and its value in use. When carrying amount of an asset or CGU exceeds it recoverable amount, the asset is considered impaired and written down to its recoverable amount.

Impairment losses of continuing operations, including impairment on inventories are recognized in the statement of profit and loss.

I) Taxation

Current Income Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The rate of tax and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current Income tax relating to items recognized outside profit and loss is recognized outside profit and loss (either in other comprehensive income or in equity) Current tax items are recognized in correlation to the underlying transaction either in OCI or directly to equity.

Deferred Tax

It is provided using the liability method on temporary difference between the tax basis of assets and liabilities and their carrying amount for financial reporting purpose at the reporting date.

Deferred Tax liabilities are recognized for all taxable temporary differences, except when it is probable that temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unsaved tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that has been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit and loss is recognized outside profit or loss (either in other comprehensive income or in the equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if legally enforceable rights exist to set off current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Goods and Services Tax (GST) paid on acquisition of assets and receipt of services as per provisions of enactment. GST collected on supply of services to clients and recognized in books of accounts accordingly.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal Income Tax. Accordingly, MAT is recognized as an asset in the Balance sheet when it is probable that future economic benefit associated with it will flow to the Company.

J) Employee Benefit Schemes

(i) Short term employee benefits

Employees benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. The benefits include salaries and compensated absences which are expected to occur in next twelve months. The undiscounted amount of short-term employee benefits to be paid in exchange for employee service is recognised as an expense as the related service is rendered by employees.

(ii) Post employment benefits

Employee benefit plans comprise both defined benefit and defined contribution plans.

Gratuity

The Company has Defined Benefit Plan for post employment benefit for all employees in the form of Gratuity. For employees the post employment benefit in the form of Gratuity is funded with Life Insurance Corporation of India, which is administered through Trustees. Liability for Defined Benefit Plan is provided on the basis of actuary valuation carried out by LIC of India. The actuarial valuation method used for measuring the liability is the Projected Unit Credit Method at year ending 31st March, 2021.

Provident Fund

Provident fund is a defined contribution plan. Eligible employees and the Company make equal periodic contributions as a percentage of the basic salary specified under the Employees' Provident Funds and Miscellaneous Provisions Act, 1952. The Company has no further obligations under the plan beyond its periodic contributions.

Leave Encashment

Leave encashment is a defined benefit plan. Entitlement to Earned leave and sick leave are recognized when they accrue to employees. The Company determines the liability for such accumulated leaves at each Balance Sheet date and the same is charged to revenue accordingly. The Liability for un-availed leave considered to be long term is carried based on actuarial valuation.

K) Claims & Benefits:

Business claims, if any; like interest on delayed payment to investors, deduction for delayed delivery etc, deductions due to default in services, Reimbursement of Deputation charges, Reimbursement of expenses, interest for delayed payments, compensations and deductions are generally accounted for as and when accepted.

L) Accounting for Leases (Assets Taken on Operating Lease):

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that is not explicitly specified in an arrangement.

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

M) Segment Reporting:

Operating segments are reported in a manner consistent with the Internal reporting provided to the chief operating decision –maker. Revenue and expenses are identified to segments on the basis of their relationship to the operating activities of segment. Inter segment revenue are accounted for based on the cost price. Revenue, expenses, Assets and liabilities which are not allocable to segment on a reasonable basis are included under “Unallocated revenue/ expenses/assets/ liabilities”

Identification of segments

The Company’s operating businesses are organized and managed separately according to the nature of products and services provided with each segment representing a strategic business unit that offers different products and serves different markets.

Allocation of common costs

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Unallocated items

Includes general corporate Income and Expense as well as Assets and Liabilities items, which are not allocated to any business segment.

Segment Policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

N) Provision for Liabilities, Contingent Liabilities And Contingent Assets:

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with applicable Ind AS.

Provisions represent liabilities to the Company for which the amount or timing is uncertain. Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of past events and it is probable that an outflow of resources, that can be reliably estimated will be required to settle such an obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flow to net present value using an appropriate pre-tax discount rate that reflects current market assessment of the time value of money and where appropriate, the risk specific to the liability.

The company recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent Assets are neither recognized nor disclosed in the financial statements.

O) Earnings Per Share:

Basic earnings per share are calculated by dividing the net profit or loss for the year / period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year / period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

P) Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS-7 “Statement of Cash Flows” whereby profit/(loss) before tax is adjusted for the effect of transactions of non cash nature and any deferrals or accruals of past or future cash receipt to payments. The Cash flow from operating, investing and financing activities of the company is segregated based on available information.

Q) Borrowing Costs:

Borrowing costs directly attributable to the acquisition, construction or production of an assets that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consists of interest and other costs expensed in connection with the borrowing of funds. Borrowing cost also include exchange differences to the extent regarded as an adjustment to the borrowing costs.

R) Foreign Currency Transactions

In the financial statements of the Company, transactions in currencies other than the functional currency are translated into the functional currency at the exchange rate ruling at the date of transaction. Monetary assets and liabilities denominated in other currencies are translated into the functional currency at exchange rates prevailing on the reporting date. Non-Monetary assets and liabilities denominated in other currencies and measured at historical cost or fair value are translated at the exchange rates prevailing on the dates on which such values were determined.

S) Use of Estimates and Judgments

The preparation of the financial statements in conformity with Ind AS requires management to make judgments, estimates and assumption that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosure of contingent liabilities at the date of these financial statements and the reported amount of revenues and expenses for the years presented. Actual results may differ from these estimates under different assumptions and conditions.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is reversed and future period affected.

The 100% PLAN ASSET of the company as on Balance sheet date are invested with LIC through Group Gratuity Policy		

The gratuity being funded and there is no funding to address Privilege Leave liability.

Sensitivity Analysis

Below is the sensitivity analysis determined for significant actuarial assumptions for defined benefit obligations and based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period while holding all other assumption constant.

Sensitivity Analysis		
	31.03.2021	31.03.2020
Projected Benefits obligation on Current Assumption	1498.94	1293.72
Delta Effect of +1% of change in rate of discounting	(151.91)	(138.28)
Delta Effect of -1% of change in rate of discounting	177.83	162.78
Delta Effect of +1% of change in rate of Salary Increase	143.48	133.85
Delta Effect of -1% of change in rate of Salary Increase	(135.79)	(124.56)
Delta Effect of +1% of change in rate of Employee Turnover	(10.47)	(9.83)
Delta Effect of +1% of change in rate of Employee Turnover	11.74	11.06

The above sensitivity analysis may not be representative of the actual benefit obligation as it is unlikely that the change in assumption would occur in isolation of one another as some of the assumptions may be correlated.

Risk Analysis

Company is exposed to a number of risks in the defined benefit plans. Most significant risk pertaining to defined benefit plans and management estimation of the impact of these risks are as follows:

- Salary growth risk- The present value of the defined benefit plan liability is calculated by reference to the future salaries of the plan participants. Salary increase considered @ 8%. As such, an increase in the salary of the plan participants will increase the plan's liability.
- Life expectancy/Longevity risks- The present value of the defined benefit plan liability is calculated by reference to the best estimates of the mortality of plan participants, which has been as per Indian Assured Lives Mortality (2006-08) Ultimate. An increase in the life expectancy of the plan participants will increase the plan's liability.
- Interest rate risk – A decrease in the bond interest rate will increase the plan liability this will be partially offset by an increase in the return on plan's debt investments.

- (d) Inflation risk- The present value of the defined benefit plan is calculated taking an assumption on inflation rate, any variation thereto increases subject to risk.

Compensated Absences

The company has provided provision for sick leave on the basis of actuarial valuation which is unfunded.

3) Dividend to equity shareholders

Dividend to equity shareholders is deducted from shareholders equity, in the year in which the dividends are approved by the equity shareholders in the general meeting.

4) Exceptional Items

A provision for doubtful debts / allowance for expected credit loss have been made for Rs. 684.15 lakhs out of which Rs. 643.24 Lakhs relating to invoice of PAN storage and for Rs. 40.91 lakhs relating to MBPD division (ECHS-Rs.16.70 Lakhs, ESIC-Rs.17.59 Lakhs, ESIS-Rs. 0.05 Lakhs & CGHS-Rs.6.57 Lakhs).

As per the terms of agreement with CGHS dated 4th March 2010, the Company has made a Lien marked Fixed Deposits worth Rs. 5,600 Lakhs with CGHS for covering the 80% of advance amount of Rs. 7,000 Lakhs given by CGHS to the Company as Performance Security Deposit to PAO CGHS for Escrow A/c. The said agreement with CGHS, Ministry of Health and Family Welfare, has been discontinued as per DO letter dated 27th Nov. 2020 and the company does not anticipate any recovery against the said Lien marked Fixed deposits worth Rs. 5,600 Lakhs kept with CGHS outstanding as on March 31, 2021.

The Company, in the earlier financial years, has already created provisions amounting to Rs. 3,808.49 Lakhs due to non-recoupment of medical bills of CGHS and additional balance provision of Rs.1,791.51 Lakhs has been made in the current financial year 2020-2021 for not anticipating any recover against such Lien marked Fixed Deposits of Rs. 5,600 Lakhs.

5) (a) Scanning Charges income

The company has carried out scanning of PAN applications as per direction of CBDT, as per MoU entered with CBDT, the company can raise invoice only after completion STQC audit of scanning of PAN applications made and confirmation from CBDT. The PAN application scanning activity has carried out in period of VI quarters. The Company has raised invoices for period till quarter IV, the invoicing for quarter V and VI amounting to Rs. 777.00 lakhs is pending as per the agreement with CBDT that service is not completed till the STQC audit has not been completed.

5) (b) Storage charges income

The Company has not booked PAN storage invoice in FY2020-21 as our payment for last four years is still outstanding with CBDT. During last financial year, FY2019-20 we have booked storage income under PAN is around Rs. 544.66 lakhs.

6) Trade Receivables and Trade Payable Confirmation

Balances of Trade receivables, Trade Payable, loans and advances and other debit/credit balances are analyzed but subject to confirmation and adjustments, necessary upon reconciliation thereof. The effect

of the adjustment arising from reconciliation and settlement of old outstanding dues that may arise on account of non-recovery or partial recovery of such dues is presently not ascertainable.

7) Impact of Covid-19 (Pandemic)

The lockdown has adversely impacted the Company's revenue and realizations in all the segments it operates. There is a visibility of substantial reduction in medical bills of beneficiaries and also due to restriction in the movement of the people. The construction, renovation and valuation activities of infrastructure wing may also get impacted due to stringent restrictions. With the continuance of lockdown during the first quarter of the financial year 2021, all segments of the Company's operations remained adversely impacted.

The Company continues to closely monitor the situation and take appropriate action, as necessary to scale up operations, in due compliance with the applicable regulations. As per the Company's current assessment other than the provisions created / credit loss as per expected credit method recorded, no significant impact on carrying amounts of property, plant and equipment, rights of use-assets, trade receivables, investments and other financial assets is expected and it continues to monitor changes in future economic conditions. The eventual outcome of the impact of the global health pandemic may be different from those estimated as on the date of approval of these financial statements.

Further, the same was withdrawn vide their e-mail dated 01.01.2021 from Sr. CMO, HC, HQ CGHS and informed to continue to function as the BCA for CGHS till further instructions.

Further, during the current FY22, vide Office Memorandum (“OM”) dated 5th April.2021, CGHS informed that the BCA activity of the Company would be discontinued from 11.06.2021 onwards, however the same has been further extended to 25.06.2021 vide OM dated 16.06.2021 from Director CGHS.

In view of both OMs of the current FY22 from CGHS dated 01.06.2021 and 16.06.2021, the BCA activity of the Company will be discontinued from June 2021 onwards. While some residual work is continuing, the discontinuance by CGHS was not accompanied by the company receiving payment on its outstanding, or a confirmed settlement list from CGHS. In this connection also refer to note no. 35(4) on Exceptional Items.

10) SEGMENT REPORTING

A. Basis of segregation

The segment reporting of the company has been prepared in accordance with Ind AS – 108, “Operating segment (specified under section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2015) For management purpose, the Company is organized into business units – (1) Registrar & Transfer Services, (2) Government Services and (3) Infrastructure Services

Segments have been identified as reportable segment by the Board Committee. Segment profit amounts are evaluated regularly by the Board, in deciding how to allocate resources and in assessing performance.

Segment revenue, results, assets and liabilities include the respective amounts identifiable to each of the segments and amount allocated on a reasonable basis. Unallocated expenditure consists of common expenditure incurred for all the segments and expenses incurred at corporate level. The assets and liabilities that cannot be allocated between the segments are shown as unallocated corporate assets and liabilities respectively.

The accounting policies of the reportable segments are the same as the company's accounting policies described in Note 1(iii). Segment profits (Earnings before interest, depreciation and amortization and tax) amount are evaluated regularly by the Board. The Company's financing (including finance cost and finance income) and Income tax are reviewed on an overall basis and are not allocated to operating segments.

B. Information about reportable segments

Other Non - Current Financial liabilities			76.36	76.36	76.36
Other Current financial liabilities			974.36	974.36	974.36

13) Fair Value Hierarchy

The table shown below analysis financial instruments carried at fair value, by valuation method. The difference levels have been defining below:

Level 1:- Quoted price (unadjusted) in active market for identical assets or liabilities

Level 2:- Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices)

Level 3:- Inputs for asset or liability that are not based on observable market data (Unobservable inputs)

Financial Instruments	March 31, 2021		
	Level 1	Level 2	Level 3
Financial assets			
Investments at fair value through profit and Loss	14,989.07		
Total	14,989.07	0.00	0.00
Financial Liabilities			
Total	0.00	0.00	0.00

Financial Instruments	March 31, 2020		
	Level 1	Level 2	Level 3
Financial assets			
Investments at fair value through profit and Loss	24,137.89		
Total	24,137.89	0.00	0.00
Financial Liabilities			
Total	0.00	0.00	0.00

The fair value of the financial assets and liabilities are included at the amount that would be received to sell an asset and paid to transfer a liability in an orderly transaction between market participants. The following methods and assumptions were used to estimate the fair values:

Other non-current financial assets and liabilities; Fair value is calculated using a discounted cash flow, model, with market assumptions, unless the carrying value is considered to approximate to fair value.

Trade receivables, cash and cash equivalents, other bank balances, loans Other current financial assets, current borrowings, trade payables and other current financial liabilities, approximate their carrying amount largely due to the short-term maturities of these instruments, fair value of investments are on the basis of net asset value as declared by mutual funds house as on the balance sheet date

There has been no transfer between level 1 and level 2 during the above periods.

II. Risk Management Framework

- The risk management framework aims
- Improve financial risk awareness and risk transparency
- Identify, control and monitor key risks
- Identify risk accumulations
- Provide management with reliable information on the company's risk situation
- Improve financial returns

III. Treasury Management

IV. Commodity Price Risk

14) Critical estimates and judgements in applying accounting policies

The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Information about estimates and judgements made in applying accounting policies that have the most significant effect on the amount recognised in the financial statements are as follows:

i. Property, plant and equipment and useful life of property, plant and equipment and intangible assets

The carrying value of the property, plant and equipment is arrived at by depreciating the assets over the useful life of assets. The estimate of useful life is reviewed at the end of each financial year and changes are accounted for prospectively.

ii. Impairment of non-financial assets

Impairment exists when the carrying value of an assets or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less cost of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transaction, conducted at arm's length, for similar assets or observable market price less incremental cost for disposing of an asset.

iii. Provisions and contingencies

The assessment under taken in recognising provisions and contingencies has been made in accordance with the applicable Ind AS. A provision is recognised if, as a result of past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an out flow of economic benefits will be required to settle the obligation. Where the effect of time value of money is material, provision are determined by discounting the expected future cash flows. Guarantees are also provided in the normal course of business. There are certain

obligations which management has concluded, based on all available facts and circumstances, are not probable of payment or are very difficult to quantify reliably, and such obligations are treated as contingent liabilities and disclosed in the notes but are not reflected as liabilities in the financial statements. Although there can be no assurance regarding final outcome of legal proceedings in which the Company involved, it is not expected that such contingencies will have a material effect on its financial position or profitability

iv. Defined benefit plan

The cost of defined benefit gratuity plan and other post employment medical benefits and present value of the gratuity obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual development in the future. This includes the determination of discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. The parameter most subject to change is discount rate. In determining the appropriate discount rate for plans operated in India, the management consider the interest rates of government bonds in currencies consistent with the currencies of the post employment benefit obligations. The mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increase are based on expected future inflation rates.

v. Taxes

Deferred tax assets are recognised for used tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

15) Capital Management

The company's objective when managing capital is to safeguard continuity, maintaining a strong credit rating and healthy capital ratio in order to support its business and provide adequate return to shareholders through continuing growth and maximise the shareholders value. The Company's overall strategy remains unchanged from previous year. The Company sets the amount of capital requirement on the basis of annual business and long-term operating plans which include capital and other strategic investments. The fund requirements are met through a mixture of equity and internal funds. Equity comprises share capital and free reserves. The following table summarizes the capital of company:

(Rs. In Lakhs)

Particulars	March 31, 2021	March 31, 2020
Share capital	3,125.00	3,125.00
Free reserves	55,014.32	47,717.14
Equity (A)	58,139.32	50,842.14
Cash and cash equivalents	8,890.29	7,288.80
Total cash (B)	8,890.29	7,288.80
Short term investments	14,095.42	21,183.78
Long term investments	893.65	2,954.11

16) The Net Worth of SUUTI Tech Options Limited ('STOL') is Negative as mentioned below.

Particulars	31.03.2021 (Amt. in Hundred)	31.03.2020 (Amt. in Hundred)
Share Capital	50,260.00	50,260.00
Reserves & Surplus (Dr.)	(80,897.90)	(79,951.30)
Negative Net Worth	(30,637.90)	(29,691.30)

There is no income source to the Company. The expenses and other statutory liabilities of the Company are born by its holding company i.e. UTI Infrastructure Technology and Services Limited.

The Board of the Holding Company (UTIITSL) in the 126th Board Meeting) held on 17th October, 2020 has approved the proposal for merger of two Companies i.e. merger of the subsidiary Company, SUUTI Tech Options Limited (STOL) with holding Company, UTI Infrastructure Technology And Services Limited (UTIITSL) and passed the necessary resolutions to that effect.

Further, in the 128th Board Meeting of the Holding Company (UTIITSL) held on 20th March, 2021, the Board of the Holding Company approved, the scheme of Amalgamation for merger of SUUTI Tech Options Limited (STOL) (Transferor Company), wholly owned Subsidiary with UTI Infrastructure Technology And Services Limited (UTIITSL) (Transferee Company), the Holding Company with fixing the appointed date of April 01, 2021

and passed the necessary resolutions to that effect.

Subsequently, the Board of the Subsidiary Company, SUUTI Tech Options Limited (STOL) in the 59th Board Meeting held on 8th February, 2021 has also approved the proposal for merger of two Companies i.e., merger of the subsidiary Company, SUUTI Tech Options Limited (STOL) with holding Company, UTI Infrastructure Technology And Services Limited (UTIITSL) and passed the necessary resolutions to that effect.

Further, the Board of the Subsidiary Company, SUUTI Tech Options Limited (STOL) in the 60th Board Meeting held on 31st March, 2021 has also approved the scheme of Amalgamation for merger of SUUTI Tech Options Limited (STOL) (Transferor Company), wholly owned Subsidiary with UTI Infrastructure Technology And Services Limited (UTIITSL) (Transferee Company), the Holding Company and passed the necessary resolutions to that effect.

In view of the above, the merger of SUUTI Tech Options Limited (STOL) (Transferor Company), wholly owned Subsidiary with UTI Infrastructure Technology And Services Limited (UTIITSL) (Transferee Company), the Holding Company is under process.

The company has plans to close its business, hence keeping this view in mind; the Company has prepared the financials on 'Non- Going Concern' basis and all assets and liabilities are treated as current.

INDEPENDENT AUDITOR'S REPORT

To the Members of UTI Infrastructure Technology and Services Limited Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying consolidated financial statements of **UTI Infrastructure Technology and Services Limited** (hereinafter referred to as the "Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2021, the consolidated statement of Profit and Loss, consolidated statement of Changes in Equity and the consolidated statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (hereinafter referred to as the "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying consolidated financial statements give the information required by the Companies Act 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at March 31, 2021 of its consolidated profit, consolidated position of changes in equity and the consolidated cash flows for the year ended on that date.

Basis for Qualified Opinion

- i) *As stated in Note No. 20 under the head "Other Non-Current Liabilities", Advance amount of Rs. 6,877.51 Lakhs (which includes Rs. 63.32 Lakhs discount payable to CGHS) outstanding from CGHS as on March 31, 2021 (out of initial advance receipt of Rs. 7,000.00 Lakhs), is subject to confirmation / reconciliation as on March 31, 2021. In view of non-reconciliation and non-confirmation of balances as on March 31, 2021 with CGHS, the resultant impact of the same on the financial statements of the Company is unascertainable.*

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, in accordance with the Code of Ethics and provisions of the Companies Act, 2013 that are relevant to our audit of the consolidated financial statements in India under the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics and the requirements under the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matters

1. Attention is drawn to Point No.7 in Note No.35 to the Consolidated financials statements, which describes that the extent to which the COVID-19 Pandemic will impact the Company's results in next financial year will depend on future developments, which are highly uncertain.
2. The Advances amounting to Rs. 5,221.84 Lakhs as on March 31, 2021 has been received by the Company from various PAN applicants for different coupon rates (except advances received for Rs. 91 coupon

rate) which are outstanding for more than 1 year, however PAN Cards have not been issued against these coupons due to various reasons. The Company should formulate an appropriate accounting policy for such cases where the PAN application amount has been received by the Company, however the dispatch of PAN card could not be made and the balance of such advances are outstanding for more than 1 year.

3. Income in respect of Storage Charges pertaining to PAN applications has not been accounted in F.Y. 2020-21, even though such service has been rendered by the Company in F.Y. 2020-21. The impact, due to non-accounting of such income in the financials as on March 31, 2021 is unascertainable. Further, scanning charges income of PAN applications has not been booked due to reasons as per Point No.5 in Note No. 35 forming part of financial statements.
4. Attention is drawn to Point No.4 in Note No.35 to the Consolidated financials statements, relating to provision amounting to Rs. 5,600 Lakhs made by the Company as on March 31, 2021 (including additional provision of Rs. 1,791.51 Lakhs made during the F.Y. 2020-2021) against Lien marked Fixed Deposits of Rs. 5,600 Lakhs kept as Performance Security Deposit with CGHS as the Company does not anticipate any recovery against such Lien Marked Fixed Deposits, due to which the profit of the Company is reduced by Rs. 1,791.51 Lakhs in the financial year 2020-2021.
5. Further, we are informed that due to extension of due dates of filing of TDS return and GST return for the quarter ended March 31, 2021, the TDS receivable and Input Tax Credit details of GST accounted in books of accounts could not be reconciled or matched with Form 26AS or GST Online portal for the quarter ended March 31, 2021 as many vendors and debtors / banks have not uploaded the relevant details relating to the Company for the quarter ended March 31, 2021. The impact of non-availability of such online information on the financials statements of the Company is unascertainable on the date of the audit report.
6. Attention is drawn to Point No. 16 of Note No. 35 forming part of financial statements which indicates that the Company has a negative net worth as on March 31, 2021 and the Company is in the process of closure of its operations and consequential scaling down its all operations in the view of the merger of SUUTI Tech Options Limited (Transferor Company), wholly owned subsidiary with UTI Infrastructure and Technology Services Limited (Transferee Company), the Holding Company being under process.

In view of this, the financial statements of the Company have been prepared on a liquidation basis and the amount of contingent obligation which may arise on petitions referred in the said notes is not ascertainable.

Our opinion is not modified in respect of these matters.

Other Matters

- i) We did not audit the financial statements of one subsidiary company namely SUUTI Option Tech Limited included in the consolidated financial statements, whose financial statements reflect total assets of Rs.2.40 Lakhs as at March 31, 2021, total revenues of NIL total net loss after tax of Rs.0.95 Lakhs for the year from April 1, 2020 to March 31, 2021, as considered in the consolidated financial statements. These financial statements have been audited by other auditor whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of sub-section (3)

of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the report of the other auditor.

Our opinion on the consolidated financial statements and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report and Corporate Governance Compliances but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieve fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among

other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (5) of the Act, and C&AG Directions issued which are applicable for the year 2020-2021, refer to our separate report in "**Annexure A**"
2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2021 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditor of its subsidiary company, none of the directors of the Group companies, are disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "**Annexure B**".
 - g) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group – Refer Point No. 8 in Note No. 35 to the financial statements.
- ii. The Company did not have any long term contracts including derivate contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure A” forming part of Independent Auditor’s Report

Report on directions issued by Comptroller and Auditor General of India under Section 143 (5) of Companies Act, 2013.

- i) Whether the company has system in place to process all the accounting transactions through IT system? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.

In our opinion, the Company has a system in place to process all the accounting transactions through IT system. Based on the information and explanations given to us, and based on procedures performed by us, we are of the opinion that the company has an adequate internal control system to prevent and detect processing of accounting transactions outside the IT system. As per information provided to us, there has been no such instance reported during the year.

- ii) Whether there is any restructuring of an existing loan or cases of waiver / write off of debts / loans / interest etc. made by a lender to the company due to the company’s inability to repay the loan? If yes, the financial impact may be stated.

This clause is not applicable to the Company as the Company does not have loan or does not have any case of waiver / write off of debts / loans / interest etc. made by a lender to the company due to the company’s inability to repay the loan.

- iii) Whether funds received / receivable for specific schemes from central / state agencies were properly accounted for / utilized as per its term and conditions? List the cases of deviation.

According to the information and explanation given to us and based on our examination of the records of the Company, the Company has not received any funds for specific schemes from central / state agencies.

Annexure “B” forming part of Independent Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

In conjunction with our audit of the consolidated financial statements of the Company as of for the year ended March 31, 2021, we have audited the internal financial controls over financial reporting of **UTI Infrastructure Technology and Services Limited (“the Company”)** and its subsidiary which is incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company and its subsidiary which is incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary which is incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external

purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that :

- 1 Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2 Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3 Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company and its Subsidiary has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. General Reserve

Under the erstwhile Indian Companies Act 1956, a general reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulation, to ensure that if a dividend distribution in a given year is more than 10% of the paid up capital of the company for that year, the total dividend distribution is less than the total distributable results for that year. consequent to introduction of Companies Act 2013, the requirement to mandatory transfer a specified percentage of the net profit to a general reserve has been withdrawn.

2. General Reserve UTI IASL

The amount has been created from the balance of the merger of the company with UTI Infrastructure and Services Limited with effect from 1 April 2010.

3. General Reserve Amalgamation

This reserve has been created at the time of merger of the company with UTI Infrastructure and Services Limited being the lesser amount as per the valuation of shares. The amounts credited to this reserve is not available for distribution of dividend as per the scheme of amalgamation.

4. Retained Earnings

Balance of retained earnings comprises of prior years undistributed earnings after taxes, which can be utilised for purposes such as dividend payout etc.

NOTE-1

Notes to the Ind AS Consolidated financial statements for the year ended March 31, 2021

i. Company Overview

UTI Infrastructure Technology And Services Limited (referred to as “UTIITSL” or “the Company” hereinafter) was incorporated under the laws of the Republic of India with its registered office at Plot no.- 3, Sector -11, J L Nehru Marg, CBD Belapur, Navi Mumbai – 400614. The Company primarily engaged in the business of issuing and processing of PAN cards on behalf of CBDT and also providing consulting, back office operations, infrastructure, processing of medical bills under CGHS under Ministry of Health and Family Welfare, ECHS under Ministry of Defence, ESIC under Ministry of Labour and IT enabled services delivered through a network of multiple locations around India. The Specified Undertaking of Unit Trust of India owned 100% of the Company’s equity share capital and has the ability to control its operating and financial policies.

ii. Basis of Preparation of Financial Statements:

a) Basis of preparation and compliance with Ind AS

In accordance with the notification, dated February 16, 2015, issued by the Ministry of Corporate Affairs, the company has adopted Indian Accounting Standards (Ind AS) notified under section 133 read with Rule 4A of the Companies (Indian Accounting Standards) Rules 2015, as amended, and the relevant provisions of the Companies Act, 2013 (collectively, “Ind ASs”) with effect from April 1, 2017 the Company is required to prepare its financial statements in accordance with Ind AS for the year ended March 31, 2018. These financial statements as and for the year ended March 31, 2018 (the “Ind AS Financial Statements”) were the first financial statements the Company has prepared in accordance with Ind AS and all the financial statements thereafter are prepared on the same basis. The Consolidated Financial Statements of the Company has been prepared as per the requirements of Ind-AS 110 (Consolidated Financial Statements).

b) Basis of measurement

The Ind AS Financial Statements has been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities, including investments, loans and advances which has been measured at fair value as described below and defined benefits plans which have been measured at actuarial valuations as required by relevant Ind ASs.

Fair value measurement

The Company measures investments and loan and advances at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of an asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non- financial asset takes into account a market participant’s ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

All assets and liabilities for which fair value is measured or disclosed in the financial statements within the fair value hierarchy, described as follows, based in the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market price in the active markets for identical assets or liabilities.

Level 2 - Valuation technique for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the assets or liability and the level of the fair value hierarchy as explained above

For the fair value related disclosure refer *note no -35 (12)*

c) Functional and presentation currency

These Ind AS Financial Statements are prepared in Indian Rupee which is the Company's functional currency.

iii. Significant Accounting Policies

The Company has applied following accounting policies to all periods presented in the Ind AS Financial Statements: -

A) Revenue Recognition:

Revenue is measured at fair value of the consideration received or receivable, net of discount, outgoing indirect taxes. Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured:

Service charges are recognized and accounted on accrual basis for the services rendered during the year. In case of PAN services, Income from sale of coupons is accounted upon the dispatch of PAN cards. Income from Service charges has been booked net of Good and Service Tax. Commission has been paid for PAN processing Service

Agent Commission against sale of PAN processing coupon is recognized immediately upon receipt of PAN processing amount, irrespective of corresponding income accruing from such PAN processing coupon, which is recognized upon dispatch of PAN card to applicant.

Upfront professional fee from hospitals is recognized while processing medical bill from serving Hospitals, it is deducted while remitting payment of their bill and income from bill clearing services under CGHS is recognized as per the contractual terms of the agreement. In case of ECHS, ESIC and ESIS income of bill processing services is recognized on recommendation/processing of medical bill of serving hospitals.

Service income is recognized as per the terms of IT contracts with the customers when the related services are performed or the agreed milestones are achieved.

Revenue from maintenance contracts is recognized ratably over the period of the contract using the percentage of completion method. When services are performed through an indefinite number of

repetitive acts over a specified period of time, revenue is recognized on a straight-line basis over the specified period.

Revenues from software development on a time-and-material basis are recognized as the services are performed. Revenue from fixed price contracts is recognized based on the milestones achieved as specified in the contracts, on the percentage of completion basis. Revenue from Annual Maintenance Contracts and training revenues are recognized on a pro-rata basis over the period in which such services are rendered.

In certain projects, a fixed quantum of service or output units is agreed at a fixed price for a fixed term. In such contracts, revenue is recognized with respect to the actual output achieved till date as a percentage of total contractual output. Any residual service unutilized by the customer is recognized as revenue on completion of the term.

Revenue from Real estate consultancy is recognized on the transfer of all significant risk and rewards of ownership to the buyers, revenue is recognized in respect of sale of properties on the basis of certain percentage of it as the per terms of contract.

Revenue from project consultancy is recognized on the percentage of project cost at the inception of the project and thereafter revenue is recognized on the basis of percentage of completion of work as certified by the engineers i.e. proportion completion method.

Dividend income is recognized when the unconditional right to receive the income is established. Interest income is recognized on time proportionate method.

Revenue in respect of distribution income is recognized as and when the same is credited into bank account. Further, revenue in case other income is recognized when no significant uncertainty as to its determination or realization exists.

Revenue from Aadhar enrolment and updation has been recognized as and when the amount has been received from the applicant in case of changes of details of applicant and for new cases after successful uploadation of data in UIDAI.

Revenue from PMJAY e-card has been recognized after successful uploadation of data in NHA.

B) Property, Plant and Equipment

(i) Property, Plant and Equipment

The Company has applied Ind AS 16 with retrospective effect for all its property, plant and equipment as at the transition date, viz., 1st April 2016.

The initial cost of property, plant and equipment comprises its purchase price, including non refundable duties and taxes, attributable borrowing cost and any other directly attributable costs of bringing an asset to working condition and location for its intended use. It also includes the present value of expected cost for decommissioning and removing of an asset and restoring the site after its use, if the recognition criteria for a provision are met.

Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are normally charges to the statement of profit and loss in the period in which the costs are incurred. Major overhaul expenditure is capitalized if the recognition criteria are met.

Gains and losses on disposal of an item of property, plant and equipment are determined by deducting the proceeds of disposal from the carrying amount of property, plant and equipment and are recognized net within other income/other expenditure in statement of profit and loss.

The residual value, useful lives and method of depreciation of property, plant and equipments are reviewed at each financial year end and adjusted prospectively, if appropriate.

(ii) Capital work in progress

Assets in the course of construction are capitalized in capital work in progress account. At the point when the asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment.

(iii) Depreciation

Assets in the course of development or construction and freehold land are not depreciated.

Leasehold land shall be depreciated over period of lease.

Other property, plant and equipment are stated at cost less accumulated depreciation and any provision for impairment. Depreciation commences when the assets are ready for their intended use.

Depreciation is calculated on the depreciable amount, which is the cost of an asset less its residual value. It is provided at rates calculated to write off the cost, less estimated residual value of each asset on a straight-line basis over its expected useful life (determined by the management based on technical estimates) as follows:

The estimated useful lives of assets are as follows:

Buildings	60 years
Plant and equipment	15 years
Furniture and fixture	10 years
Vehicles	8 Years
Office Equipments	5 Years
Computer hardware	3 Years
Server and networking hardware	6 Years

Depreciation methods, useful lives and residual value are reviewed at regular interval.

C) Intangible assets:

Intangible assets acquired are measured on initial recognition at cost; following initial recognition intangible assets are carried at cost less any accumulated amortization and accumulated impairment loss. The useful lives of intangible assets primarily computer software is assessed for five years. Specialized systems software acquired outright and license fee paid for such patented software are capitalized.

The costs relating to annual license fees, development, updation, implementation and maintenance of computer software are charged to revenue account.

Gains or losses arising from the retirement or disposal proceeds and the carrying amount of the assets recognized as income or expenses in the Statement of profit and loss when the asset is derecognized.

D) Investment Property:

The Company identifies such properties which are held to earn rental income or for capital appreciation or both and which will generate cash flows largely independently of other assets as Investment Properties. In accordance with the requirements of Ind As-40 (Investment property) . Further as per Ind As 40 (Investment Property), the Company has adopted cost model to all its investment policy at initial recognition. After initial recognition, the Company measures all of its investment properties in accordance with Ind AS 16's requirements of cost model.

Depreciation is calculated on the depreciable amount, which is the cost of an asset less its residual value. It is provided at rates calculated to write off the cost, less estimated residual value of each asset on a straight line basis over its expected useful life (determined by the management based on technical estimates) as follows:

The estimated useful lives of assets are as follows:

Buildings	60 years
-----------	----------

The residual value, useful lives and method of depreciation of Investment property are reviewed at each financial year end and adjusted prospectively, if appropriate.

E) Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components. The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Right of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For leases with reasonably similar characteristics, the Company, on a lease by lease basis, may adopt either the incremental borrowing rate specific

to the lease or the incremental borrowing rate for the portfolio as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments. The Company recognises the amount of the re-measurement of lease liability due to modification as an adjustment to the right-of-use asset and statement of profit and loss depending upon the nature of modification. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in statement of profit and loss. The Company has elected not to apply the requirements of Ind AS 116 Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognised as an expense on a straight-line basis over the lease term.

Transition to Ind AS 116

Ministry of Corporate Affairs (“MCA”) through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases which replaces the existing lease standard, Ind AS 17 Leases and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lease accounting model for lessees. The Company has adopted Ind AS 116, effective annual reporting period beginning April 1, 2019 and applied the standard to its leases, retrospectively, with the cumulative effect of initially applying the standard, recognised on the date of initial application (April 1, 2019). Accordingly, the Company has not restated comparative information, instead, the cumulative effect of initially applying this standard has been recognised as an adjustment to the opening balance of retained earnings as on April 1, 2019.

For transition, the Company has elected not to apply the requirements of Ind AS 116 to leases which are expiring within 12 months from the date of transition by class of asset and leases for which the underlying asset is of low value on a lease-by-lease basis.

F) Financial instruments

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments

Financial assets

Financial assets are (investment in Mutual funds, bonds) classified into the following specified categories: financial assets “at amortized cost”, “fair value through other comprehensive income”, “fair value through profit or loss”. The classification depends on the entity ‘s business model for managing the financial assets and the contractual cash flow characteristics of the financial assets at the time of initial recognition.

All financial assets are initially measured at fair value plus transaction costs except for those assets classified as at fair value through profit or loss which are initially measured at fair value.

Income and expenses is recognized on an effective interest basis for debt instrument.

All other investments are classified as Fair Value Through Profit or Loss (FVTPL) the Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable and minimizing the use of unobservable input.

Financial Assets – De-recognition

A financial asset (or, where applicable, a part of financial asset or part of group of similar financial asset) is primarily derecognized (i.e., removed from the Company's balance sheet) when:

- The rights to receive cash flows from the assets has expired, or
- The Company has transferred its right to receive cash flow from asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement; and either (a) the Company has transferred substantially all the risk and rewards of the asset or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the assets. The transferred asset and the associated liability are measured on a basis that reflect the rights and obligations that the Company retained.

Impairment of financial assets

In accordance with Ind AS 109, the Company applied expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets that are debt instrument, and are measured at amortized cost e.g., loans, debt securities, deposit and trade receivable or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12 months ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as (income)/ expense in the statement of profit and loss. This amount is reflected under the head "other expenses" in the statement of profit and loss. The balance sheet presentation for various financial instruments is as follows:

- Financial assets measured as at amortized cost
- Debt instrument measured at FVTPL
- Debt instruments measured at FVTOCI

Financial liabilities and equity instruments

Classification as debt or equity

Financial liabilities and equity instruments issued by the company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and equity instrument.

Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deduction all of its liabilities.

Financial liabilities

Financial liabilities are classified as either financial liabilities at Fair Value Through profit or Loss (FVTPL). Financial liabilities are classified as at FVTPL where the financial liability is either held for trading or it is designated as at FVTPL

Financial Liabilities – De recognition

A financial liability is de recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

Offsetting of Financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet, if there is currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

G) Cash and Cash equivalents

Cash and Cash equivalent in the balance sheet comprise cash at bank and on hand and short-term deposits with an original maturity of three months and less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flow, cash and cash equivalents consist of cash and short-term deposit as mentioned above.

H) Impairment of Non – Financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exist, the Company estimate the asset's recoverable value, which is higher of an asset's or cash generating unit's (CGU) fair value less costs of disposal and its value in use. When carrying amount of an asset or CGU exceeds it recoverable amount, the asset is considered impaired and written down to its recoverable amount.

Impairment losses of continuing operations, including impairment on inventories are recognized in the statement of profit and loss.

I) Taxation

Current Income Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The rate of tax and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current Income tax relating to items recognized outside profit and loss is recognized outside profit and loss (either in other comprehensive income or in equity) Current tax items are recognized in correlation to the underlying transaction either in OCI or directly to equity.

Deferred Tax

It is provided using the liability method on temporary difference between the tax basis of assets and liabilities and their carrying amount for financial reporting purpose at the reporting date.

Deferred Tax liabilities are recognized for all taxable temporary differences, except when it is probable that temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unsaved tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that has been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit and loss is recognized outside profit or loss (either in other comprehensive income or in the equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if legally enforceable rights exist to set off current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Goods and Services Tax (GST) paid on acquisition of assets and receipt of services as per provisions of enactment. GST collected on supply of services to clients and recognized in books of accounts accordingly.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal Income Tax.

Accordingly, MAT is recognized as an asset in the Balance sheet when it is probable that future economic benefit associated with it will flow to the Company.

J) Employee Benefit Schemes

(i) Short term employee benefits

Employees benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. The benefits include salaries and compensated absences which are expected to occur in next twelve months. The undiscounted amount of short-term employee benefits to be paid in exchange for employee service is recognised as an expense as the related service is rendered by employees.

(ii) Post employment benefits

Employee benefit plans comprise both defined benefit and defined contribution plans.

Gratuity

The Company has Defined Benefit Plan for post employment benefit for all employees in the form of Gratuity. For employees the post employment benefit in the form of Gratuity is funded with Life Insurance Corporation of India, which is administered through Trustees. Liability for Defined Benefit Plan is provided on the basis of actuarial valuation carried out by LIC of India. The actuarial valuation method used for measuring the liability is the Projected Unit Credit Method at year ending 31st March, 2021.

Provident Fund

Provident fund is a defined contribution plan. Eligible employees and the Company make equal periodic contributions as a percentage of the basic salary specified under the Employees' Provident Funds and Miscellaneous Provisions Act, 1952. The Company has no further obligations under the plan beyond its periodic contributions.

Leave Encashment

Leave encashment is a defined benefit plan. Entitlement to Earned leave and sick leave are recognized when they accrue to employees. The Company determines the liability for such accumulated leaves at each Balance Sheet date and the same is charged to revenue accordingly. The Liability for un-availed leave considered to be long term is carried based on actuarial valuation.

K) Claims & Benefits:

Business claims, if any; like interest on delayed payment to investors, deduction for delayed delivery etc, deductions due to default in services, Reimbursement of Deputation charges, Reimbursement of expenses, interest for delayed payments, compensations and deductions are generally accounted for as and when accepted.

L) Accounting for Leases (Assets Taken on Operating Lease):

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that is not explicitly specified in an arrangement.

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

M) Segment Reporting:

Operating segments are reported in a manner consistent with the Internal reporting provided to the chief operating decision –maker. Revenue and expenses are identified to segments on the basis of their relationship to the operating activities of segment. Inter segment revenue are accounted for based on the cost price. Revenue, expenses, Assets and liabilities which are not allocable to segment on a reasonable basis are included under “Unallocated revenue/ expenses/assets/ liabilities”

Identification of segments

The Company's operating businesses are organized and managed separately according to the nature of products and services provided with each segment representing a strategic business unit that offers different products and serves different markets.

Allocation of common costs

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Unallocated items

Includes general corporate Income and Expense as well as Assets and Liabilities items, which are not allocated to any business segment.

Segment Policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

N) Provision for Liabilities, Contingent Liabilities And Contingent Assets:

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with applicable Ind AS.

Provisions represent liabilities to the Company for which the amount or timing is uncertain. Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of past events and it is probable that an outflow of resources, that can be reliably estimated will be required to settle such an obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flow to net present value using an appropriate pre-tax discount rate that reflects current market assessment of the time value of money and where appropriate, the risk specific to the liability.

The company recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent Assets are neither recognized nor disclosed in the financial statements.

O) Earnings Per Share:

Basic earnings per share are calculated by dividing the net profit or loss for the year / period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year / period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

P) Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS-7 “Statement of Cash Flows” whereby profit/(loss) before tax is adjusted for the effect of transactions of non cash nature and any deferrals or accruals of past or future cash receipt to payments. The Cash flow from operating, investing and financing activities of the company is segregated based on available information.

Q) Borrowing Costs:

Borrowing costs directly attributable to the acquisition, construction or production of an assets that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consists of interest and other costs expensed in connection with the borrowing of funds. Borrowing cost also include exchange differences to the extent regarded as an adjustment to the borrowing costs.

R) Foreign Currency Transactions

In the financial statements of the Company, transactions in currencies other than the functional currency are translated into the functional currency at the exchange rate ruling at the date of transaction. Monetary assets and liabilities denominated in other currencies are translated into the functional currency at exchange rates prevailing on the reporting date. Non-Monetary assets and liabilities denominated in other currencies and measured at historical cost or fair value are translated at the exchange rates prevailing on the dates on which such values were determined.

S) Use of Estimates and Judgments

The preparation of the financial statements in conformity with Ind AS requires management to make judgments, estimates and assumption that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosure of contingent liabilities at the date of these financial statements and the reported amount of revenues and expenses for the years presented. Actual results may differ from these estimates under different assumptions and conditions.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is reversed and future period affected.

	31.3.2021	31.03.2020
Projected Benefits obligation on Current Assumption	1498.94	1293.72
Delta Effect of +1% of change in rate of discounting	(151.91)	(138.28)
Delta Effect of -1% of change in rate of discounting	177.83	162.78
Delta Effect of +1% of change in rate of Salary Increase	143.48	133.85
Delta Effect of -1% of change in rate of Salary Increase	(135.79)	(124.56)
Delta Effect of +1% of change in rate of Employee Turnover	(10.47)	(9.83)
Delta Effect of +1% of change in rate of Employee Turnover	11.74	11.06

The above sensitivity analysis may not be representative of the actual benefit obligation as it is unlikely that the change in assumption would occur in isolation of one another as some of the assumptions may be correlated.

Risk Analysis

Company is exposed to a number of risks in the defined benefit plans. Most significant risk pertaining to defined benefit plans and management estimation of the impact of these risks are as follows:

- (a) Salary growth risk- The present value of the defined benefit plan liability is calculated by reference to the future salaries of the plan participants. Salary increase considered @ 8%. As such, an increase in the salary of the plan participants will increase the plan's liability.
- (b) Life expectancy/Longevity risks- The present value of the defined benefit plan liability is calculated by reference to the best estimates of the mortality of plan participants, which has been as per Indian Assured Lives Mortality (2006-08) Ultimate. An increase in the life expectancy of the plan participants will increase the plan's liability.
- (c) Interest rate risk - A decrease in the bond interest rate will increase the plan liability this will be partially offset by an increase in the return on plan's debt investments.
- (d) Inflation risk- The present value of the defined benefit plan is calculated taking an assumption on inflation rate, any variation thereto increases subject to risk.

Compensated Absences

The company has provided provision for sick leave on the basis of actuarial valuation which is unfunded.

3) Dividend to equity shareholders

Dividend to equity shareholders is recognized as a liability and deducted from shareholders equity, in the period in which the dividends are approved by the equity shareholders in the general meeting.

4) Exceptional Items

A provision for doubtful debts / allowance for expected credit loss have been made for Rs. 684.15 lakhs out of which Rs. 643.24 Lakhs relating to invoice of PAN storage and for Rs. 40.91 lakhs relating to MBPD division (ECHS-Rs.16.70 Lakhs, ESIC-Rs.17.59 Lakhs, ESIS-Rs. 0.05 Lakhs & CGHS-Rs.6.57 Lakhs).

As per the terms of agreement with CGHS dated 4th March 2010, the Company has made a Lien marked Fixed Deposits worth Rs. 5,600 Lakhs with CGHS for covering the 80% of advance amount of Rs. 7,000 Lakhs given by CGHS to the Company as Performance Security Deposit to PAO CGHS for Escrow A/c. The said agreement with CGHS, Ministry of Health and Family Welfare, has been discontinued as per DO letter dated 27th Nov. 2020 and the company does not anticipate any recovery against the said Lien marked Fixed deposits worth Rs. 5,600 Lakhs kept with CGHS outstanding as on March 31, 2021.

The Company, in the earlier financial years, has already created provisions amounting to Rs. 3,808.49 Lakhs due to non-recoupment of medical bills of CGHS and additional balance provision of Rs.1,791.51 Lakhs has been made in the current financial year 2020-2021 for not anticipating any recover against such Lien marked Fixed Deposits of Rs. 5,600.00 Lakhs.

5) (a) Scanning Charges income

The company has carried out scanning of PAN applications as per direction of CBDT, as per MoU entered with CBDT, the company can raise invoice only after completion STQC audit of scanning of PAN applications made and confirmation from CBDT. The PAN application scanning activity has carried out in period of VI quarters. The Company has raised invoices for period till quarter IV, the invoicing for quarter V and VI amounting to Rs. 777.00 lakhs is pending as per the agreement with CBDT that service is not completed till the STQC audit has not been completed.

5) (b) Storage charges income

The Company has not booked PAN storage invoice in FY2020-21 as our payment for last four years is still outstanding with CBDT. During last financial year, FY2019-20 we have booked storage income under PAN is around Rs. 544.66 lakhs.

6) Trade Receivables and Trade Payable Confirmation

Balances of Trade receivables, Trade Payable, loans and advances and other debit/credit balances are analyzed but subject to confirmation and adjustments, necessary upon reconciliation thereof. The effect of the adjustment arising from reconciliation and settlement of old outstanding dues that may arise on account of non-recovery or partial recovery of such dues is presently not ascertainable.

7) Impact of Covid-19 (Pandemic)

The lockdown has adversely impacted the Company's revenue and realizations in all the segments it operates. There is a visibility of substantial reduction in medical bills of beneficiaries and also due to restriction in the movement of the people. The construction, renovation and valuation activities of infrastructure wing may also get impacted due to stringent restrictions. With the continuance of lockdown during the first quarter of the financial year 2021, all segments of the Company's operations remained adversely impacted.

The Company continues to closely monitor the situation and take appropriate action, as necessary to scale up operations, in due compliance with the applicable regulations. As per the Company's current assessment other than the provisions created / credit loss as per expected credit method recorded, no significant impact on carrying amounts of property, plant and equipment, rights of use-assets, trade receivables, investments and other financial assets is expected and it continues to monitor changes in future economic conditions. The eventual outcome of the impact of the global health pandemic may be different from those estimated as on the date of approval of these financial statements.

In view of both OMs of the current FY22 from CGHS dated 01.06.2021 and 16.06.2021, the BCA activity of the Company will be discontinued from June 2021 onwards. While some residual work is continuing, the discontinuance by CGHS was not accompanied by the company receiving payment on its outstanding, or a confirmed settlement list from CGHS. In this connection also refer to note no 35(4) on Exceptional items.

10) SEGMENT REPORTING

A. Basis of segregation

The segment reporting of the company has been prepared in accordance with Ind AS – 108, “Operating segment (specified under section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2015) For management purpose, the Company is organized into business units – (1) Registrar & Transfer Services, (2) Government Services and (3) Infrastructure Services

Segments have been identified as reportable segment by the Board Committee. Segment profit amounts are evaluated regularly by the Board, in deciding how to allocate resources and in assessing performance.

Segment revenue, results, assets and liabilities include the respective amounts identifiable to each of the segments and amount allocated on a reasonable basis. Unallocated expenditure consists of common expenditure incurred for all the segments and expenses incurred at corporate level. The assets and liabilities that cannot be allocated between the segments are shown as unallocated corporate assets and liabilities respectively.

The accounting policies of the reportable segments are the same as the company’s accounting policies described in Note 1(iii). Segment profits (Earnings before interest, depreciation and amortization

and tax) amount are evaluated regularly by the Board. The Company's financing (including finance cost and finance income) and Income tax are reviewed on an overall basis and are not allocated to operating segments.

13) Fair Value Hierarchy

The table shown below analysis financial instruments carried at fair value, by valuation method. The difference levels have been defining below:

Level 1:- Quoted price (unadjusted) in active market for identical assets or liabilities

Level 2:- Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices)

Level 3:- Inputs for asset or liability that are not based on observable market data(Unobservable inputs)

(Rs. In Lakhs)

Financial Instruments	March 31, 2021		
	Level 1	Level 2	Level 3
Financial assets			
Investments at fair value through profit and Loss	14989.07		
Total	14989.07	0.00	0.00
Financial Liabilities	0.00	0.00	0.00
Total	0.00	0.00	0.00

Financial Instruments	March 31, 2020		
	Level 1	Level 2	Level 3
Financial assets			
Investments at fair value through profit and Loss	24137.89		
Total	24137.89	0.00	0.00
Financial Liabilities	0.00	0.00	0.00
Total	0.00	0.00	0.00

The fair value of the financial assets and liabilities are included at the amount that would be received to sell an asset and paid to transfer a liability in an orderly transaction between market participants. The following methods and assumptions were used to estimate the fair values:

Other non-current financial assets and liabilities; Fair value is calculated using a discounted cash flow model, with market assumptions, unless the carrying value is considered to approximate to fair value.

Trade receivables, cash and cash equivalents, other bank balances, loans Other current financial assets, current borrowings, trade payables and other current financial liabilities, Approximate their carrying amount largely due to the short-term maturities of these instruments, fair value of investments are on the basis of net asset value as declared by mutual funds house as on the balance sheet date

There has been no transfer between level 1 and level 2 during the above periods.

II. Risk Management Framework

- The risk management framework aims
- Improve financial risk awareness and risk transparency
- Identify, control and monitor key risks
- Identify risk accumulations
- Provide management with reliable information on the company's risk situation
- Improve financial returns

III. Treasury Management

IV. Commodity Price Risk

14) Critical estimates and judgements in applying accounting policies

The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Information about estimates and judgements made in applying accounting policies that have the most significant effect on the amount recognised in the financial statements are as follows:

i. Property, plant and equipment and useful life of property, plant and equipment and intangible assets

The carrying value of the property, plant and equipment is arrived at by depreciating the assets over the useful life of assets. The estimate of useful life is reviewed at the end of each financial year and changes are accounted for prospectively.

ii. Impairment of non-financial assets

Impairment exists when the carrying value of an assets or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less cost of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transaction, conducted at arm's length, for similar assets or observable market price less incremental cost for disposing of an asset.

iii. Provisions and contingencies

The assessment under taken in recognising provisions and contingencies has been made in accordance with the applicable Ind AS. A provision is recognised if, as a result of past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an out flow of economic benefits will be required to settle the obligation. Where the effect of time value of money is material, provision are determined by discounting the expected future cash flows. Guarantees are also provided in the normal course of business. There are certain obligations which management has concluded, based on all available facts and circumstances, are

not probable of payment or are very difficult to quantify reliably, and such obligations are treated as contingent liabilities and disclosed in the notes but are not reflected as liabilities in the financial statements. Although there can be no assurance regarding final outcome of legal proceedings in which the Company involved, it is not expected that such contingencies will have a material effect on its financial position or profitability

iv. Defined benefit plan

The cost of defined benefit gratuity plan and other post employment medical benefits and present value of the gratuity obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual development in the future. This includes the determination of discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. The parameter most subject to change is discount rate. In determining the appropriate discount rate for plans operated in India, the management consider the interest rates of government bonds in currencies consistent with the currencies of the post employment benefit obligations. The mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increase are based on expected future inflation rates.

v. Taxes

Deferred tax assets are recognised for used tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

15) Capital Management

The company's objective when managing capital is to safeguard continuity, maintaining a strong credit rating and healthy capital ratio in order to support its business and provide adequate return to shareholders through continuing growth and maximise the shareholders value. The Company's overall strategy remains unchanged from previous year. The Company sets the amount of capital requirement on the basis of annual business and long-term operating plans which include capital and other strategic investments. The fund requirements are met through a mixture of equity and internal funds. Equity comprises share capital and free reserves. The following table summarizes the capital of company:

Particulars	(Rs. In Lakhs)	
	March 31,2021	March 31,2020
Share capital	3,125.00	3,125.00
Free reserves	55016.01	47,717.29
Equity (A)	58141.01	50,842.29
