

UTI Infrastructure Technology and Services Ltd Signed MoU with NHA to Provide Print Services of E-Cards for AB-PMJAY Beneficiaries

By **AC Team** - August 26, 2020

UTI Infrastructure Technology And Services Limited (**UTIITSL**) has signed Memorandum of Understanding (**MoU**) with the National Health Authority (**NHA**) to provide printing services (through its branches and PSAs), support the beneficiary identification (i.e., fill up online validation process) and verification process in issuing e-cards to beneficiaries under the Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana (**AB-PMJAY**).

Key People:

The MoU was signed by Vipul Aggarwal, Deputy Chief Executive Officer (CEO) of NHA and Vijay Kumar Jain, Managing Director & CEO of UTIITSL.

Points to be Noted:

- i. The Service offers a health cover of Rs 5 lakh to 53 crore per annum to poor eligible citizens to avail cashless secondary and tertiary healthcare anywhere in the country in its empanelled healthcare providers- Both Public & Private (23,000).
- ii. This will help the migrant workers. Till Now, 12.55 crore e-cards have been issued.
- iii. To avail a PMJAY e-card, the beneficiaries need to obtain their individual and family verified UTIITSLs Centres or PSAs with the help of a document such as Aadhaar card.
- iv. The registered beneficiary can avail the benefits under the AB-PMJAY scheme

Key Info

- i. AB-PMJAY aims to target over 10.74 crore poor, deprived rural families and occupational category of urban workers' families identified as per the Socio-Economic Caste Census (SECC) 2011 database.
- ii. In less than 2 years 1.2 crore cashless treatments worth Rs 15,000 crore have been provided by NHA

Additional Info

- i. The association is to achieve the objectives of UTIITSL to implement AB-PMJAY.
- ii. The partnership, will enable NHA to reach a greater number of deserving families and enable them access to affordable quality healthcare through PMJAY.

Recent Related News:

- i. The Indian Railways and RailTel signed a Memorandum of Understanding (MoU) for installation of an IP-based video surveillance system at 6,049 railway stations across the country. This is a part of Digital India initiative.
- ii. In order to bolster the comprehensive strategic partnership between India and Indonesia, a Memorandum of Understanding (MoU) has been signed between the Indian Coast Guard (ICG) and Indonesian Coast Guard (Badan Keamanan Laut Republik Indonesia) on 'Maritime Safety and Security'.
